The Living Link:

The Living Link James De Mille,2019-12-11 In *The Living Link* James De Mille masterfully weaves a narrative rich in adventure and exploration set against the backdrop of an untamed wilderness The novel showcases De Mille s inventive literary style marked by a blend of vivid descriptions and a keen observation of human emotions Crafted during the late 19th century a time characterized by burgeoning interest in adventure novels and the natural world De Mille s work stands as a testament to the spirit of discovery that defined the era The story embarks on a journey through uncharted territories exploring themes of survival resilience and the profound connections between individuals and their environment James De Mille was a Canadian author renowned for his contributions to fiction that address themes of exploration and personal introspection Born in 1833 De Mille s experiences as a traveler and educator in various parts of the world profoundly influenced his writing His deep admiration for nature and fascination with the dynamics of human relationships are vividly reflected in *The Living Link* where the characters confront both external challenges and internal growth This book is an essential read for those who appreciate adventure intertwined with philosophical questions about the human condition De Mille s articulate prose and compelling storytelling invite readers to not only experience the thrills of exploration but also reflect on their own place within the tapestry of life *The Living Link* promises an unforgettable literary experience that resonates beyond its pages In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read ***The Living*** Anna Starobinets,2023-12-01 A truly enthralling disturbing anti utopian fantasy novel that will have readers gripped from page one After a global catastrophe called the Great Reduction the number of people living on Earth has become fixed remaining a constant 3 billion The concept of death no longer exists and instead people are reborn anywhere on the planet with an in code that keeps track of information about all their previous incarnations Humankind is no longer individual people are only particles making up one composite organism called *The Living* The particles of *The Living* live happily and die happily according to a government determined schedule All of society is connected directly from the brain to the social network Socio and family and country are now of no importance Society is global and attachment to parents and children is denounced as a deviation Yet there is one man born without an in code a spare human being His birth increases the number of *The Living* by one which threatens global harmony Who is Zero and how will *The Living* survive ***THE LIVING SUBSTANCE*** GWENDOLEN FOULKE
ADNREWS,1897 ***The Living Universe*** James Carter,2011-12-13 *The Living Universe* is a new non field theory of Mass Space Time Energy and Gravity It explains the creation of the universe without the Big Bang and details the structure and workings of Matter Energy and Gravity in a way that anyone can understand ***The Missionary Intelligencer*** ,1904
