Oates,2025-11-04 A number of fighters in boxing history have been considered great over the years However it must be said that in some cases their respected claims to greatness do not stand up when closely scrutinised The same cannot be said of Muhammad Ali Now this man was a true great no argument Ali would often state when in his pomp that he was the greatest of all time Many experts even today agree with that statement Ali changed the way the general public viewed the sport He in fact changed boxing shook it up in a way that it had never been shaken before Ali was different he was special he talked a good fight making bold statements prior to his fights which he backed up with his outstanding talent The man was a master in the ring a craftsman who often overcame the odds when in combat Ali fought the very best fighters available he dodged no man a true champion in every sense of the word he gave every contender their chance Ali became the first boxer to win the world heavyweight crown on three different occasions Whenever heavyweight boxing is discussed the name Muhammad Ali is mentioned how can it not be when considering his magnificent record This book covers the many achievements of the fighter and those associated with him during his long career in an interesting way which fight fans will find informative

Looking for a Fight David Matthews,2002 When David Matthews began to research the strange underworld of boxing he

found that many were reluctant to talk to a writer looking for colour pieces without really understanding the sport So he decided take them on at their own game and began a two year training programme so he could have one professional fight
LOOKING FOR A FIGHT is Matthews story of his own battle for fitness the difficulty of learning how to punch properly and how to take a punch Above all he reveals what really motivates the characters that he worked and trained with What makes someone risk their life for a purse of a few hundred pounds Why do so many boxers believe that God is on their side Is boxing a force for good in our society This is a remarkable account of boxing from within and without

History of the Heavyweight Championship of the World Rene Villadsen,2015-04-05 With the proliferation of sanctioning bodies giving rise to multiple titleholders in each weight class it has become increasingly difficult to track the history of the World championships in professional boxing The purpose of this publication is to give the boxing fan an overview of the history of the heavyweight championship of the World What you will find here is a brief description of how the championship was passed along from John L Sullivan to the present champion Wladimir Klitschko Also included is a list of all deserving holders of the championship and not least a very comprehensive section with a complete list of all World heavyweight championship fights held under the Queensberry rules including the ones sanctioned by major organizations like NBA NYSAC and later WBC WBA IBF WBO I hope that this publication will be able to help the casual boxing fan to navigate through professional boxing history

The Great White Hopes Graeme Kent,2005-03-17 In 1908 black fighter Jack Johnson won the heavyweight championship of the world There was an immediate storm of protest it was predicted accurately that his reign would lead to civic unrest and race riots Over the next seven years more than 30 fighters lured by the prospect of fame tried to beat Jackson This title tells the story
