Zamboni,2015-04-07 Over the Broken Bridge is a collection of short stories which traverses over the facades of a shallow civilization and cracks the fragile eggshell of the human psyche Each individual story is a personal ambition to overcome the indoctrinated predicated beliefs of our society versus our own primitive instinctual power to resort back to the never ending quest for freedom and inner peace Combined they represent a transcendental parable of personal triumph fleeting folly and colossal failure Each pivotal moment allows one the option to follow their inner voice or subside to the pressures of the popular norm Some find freedom while others remain trapped deep inside a dark well never able to climb out even when a bright beacon of hope shines in their eyes every time they look up Over the Broken Bridge is sanguine and enlightening as it is macabre haunting and disturbing It pushes the limits of what we perceive as right or wrong and digs deeper and darker than most would like to go It not only makes one look at oneself but what outside forces mold us into whom we eventually become ABOUT THE AUTHOR C J Zamboni is an award winning writer of fiction and film He currently resides with his family in a small town on a quiet street in New Jersey where he continues to work on new material **Broken Bridge Lies Body of Water.** Jean Marie Rusin,2011-07-28 Everything began on friday 13th and strange happened when you cross the bridge and you walks into the town at first you think that no one lives there and then suddenly alls the town peoples appear and they block the street and you cannot escape and they take you and tied you up and you try to escape but you cannot and then when you reach the bridge but it is not there Then you walks toward the town but you hide in the woods and you dont want them too see you You wait until morning and you think to yourself hope that the bridge will be there **Broken Bridge** Nana Malone,2022-04-12 Dive into the action packed suspenseful romance about getting vengeance at ALL costs One miscalculation One misstep had cost me everything I

despair of youth growing up in fear and the silence of leaders who choose power over peace A broken bridge is more than a ruin it is a symbol of betrayal division and forgotten humanity But I refuse to believe that this is where the story ends This book is both a reflection and a plea that we recognize the cost of anger that we reject the poison of hate and that we give the next generation something stronger than rubble to inherit Can broken nations rebuild Can wounded communities find healing I believe they can And I wrote this book as a call to imagine to rebuild and to believe that even the most broken bridge can one day carry us forward again About The Author Dr Francis S Laari is the director and CEO of Youth Education Services of America He spent over thirteen years in law enforcement with the Virginia Department of Corrections As a law enforcement officer he embraced leadership roles and responsibility as the hallmark of every citizen He is a parent and passionate advocate for youth of all levels As an advocate for youth Dr Laari hopes to inspire politicians leaders worldwide and every citizen across the globe to show leadership roles and responsibility in all their endeavors to the youth He is an immigrant from Ghana He is also a recent graduate of Walden University majoring in Law and Public Policy Public Administration Dr Laari lives in Virginia with his family and a six month old German Shepherd called Koko
