**The Butcher** Stuart Jason,1972      **Blood Debt** Stuart Jason,1972      **THE BUTCHER'S LEDGER A North Philadelphia Saga** GREGORY CANTY,2026-02-24 The streets don't want a king They want a ghost In 1991 North Philadelphia was a war zone and Daquan Quan Butcher was a man with a target on his back and a copy of Machiavelli's *The Prince* in his pocket While the legends of the era were dying for respect and gold chains Quan was learning the art of the invisible hand From the smoke filled social clubs of the Italian Mob to the high stakes interrogation rooms of the FBI Quan navigated a world where loyalty was a lie and survival was a calculation He wasn't just a drug dealer or a hitman he was a surgeon of the streets extracting his enemies with a precision that earned him a terrifying nickname The Butcher But as the 20th century fades into the digital dawn Quan realizes that the ultimate power isn't found in the barrel of a gun It's found in the code To save his empire and the only woman he ever loved he must commit the ultimate Machiavellian act He must disappear Gregory Canty presents a gritty sprawling epic of power betrayal and the cold logic of the underworld In the game of kings the only way to win is to make sure no one knows you're playing      *The Tiananmen Papers* Liang Zhang,Andrew J. Nathan,Perry Link,Orville Schell,2008-08-06 On the night of June 3-4 1989 Chinese troops violently crushed the largest pro democracy demonstrations in the history of the communist regime In this extraordinary collection of hundreds of internal government and Communist Party documents secretly smuggled out of China we learn how these events came to pass from behind the scenes The material reveals how the most important decisions were made and how the turmoil split the ruling elite into radically opposed factions The book includes the minutes of the crucial meetings at which the Elders decided to cashier the pro reform Party secretary Zhao Ziyang and to replace him with Jiang Zemin to declare martial law and finally to send the troops to drive the students from the Square Just as the Pentagon Papers laid bare the secret American decision making behind the Vietnam War and changed forever our view of the nation's political leaders so too has The Tiananmen Papers altered our perception of how and why the events of June 4 took the shape they did Its publication has proven to be a landmark event in Chinese and world history      **Serial Vigilantes of Paperback Fiction** Bradley Mengel,2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard-boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured
