Cajun Women and Mardi Gras Carolyn E. Ware,2024-03-18 Cajun Women and Mardi Gras is the first book to explore the importance of women s contributions to the country Cajun Mardi Gras tradition or Mardi Gras run Most Mardi Gras runs masked begging processions through the countryside led by unmasked capitaines have customarily excluded women Male organizers explain that this rule protects not only the tradition s integrity but also women themselves from the event s rowdy often drunken play Throughout the past twentieth century and especially in the past fifty years women in some prairie communities have insisted on taking more active and public roles in the festivities Carolyn E Ware traces the history of women s participation as it has expanded from supportive roles as cooks and costume makers to increasingly public performances as Mardi Gras clowns and in at least one community capitaines Drawing on more than a decade of fieldwork interviews and observation in Mardi Gras communities Ware focuses on the festive actions in Tee Mamou and Basile to reveal how women are reshaping the celebration as creative artists and innovative performers
