The Captive Island:

The Captive Island August Derleth, 1952 *The Captive Island ... Illustrated by Frederick T. Chapman* August William DERLETH, 1952 **Captive Island** Z. Smith, 1967 **Decline and Recovery of the Island Fox** Timothy J. Coonan, Catherin A. Schwemm, David K. Garcelon, 2010-07-22 Native only to the California Channel Islands the island fox is the smallest canid in North America Populations on four of the islands were threatened to extinction in the 1990s due to human mediated predation and disease This is the first account of the natural history and ecology of the island fox illustrating both the vulnerability of island ecosystems and the efficacy of cooperative conservation measures It explains in detail the intense conservation actions required to recover fox populations such as captive breeding and reintroduction and large scale ecosystem manipulation These actions were successful due in large part to extraordinary collaboration among the scientists managers and public advocates involved in the recovery effort The book also examines the role of some aspects of island fox biology characteristic of the island syndrome in facilitating their recovery including high productivity and an apparent adaptation to periodic genetic bottlenecks **Federal Register** ,2004-03 Castle Cornet; or, The Island's troubles in the troublous times Louisa Hawtrey, 1872 **The Philippine Islands, 1493-1803** Emma Helen Blair, James Alexander Robertson, 1906 **The Captive's Quest for Freedom** R. J. M. Blackett, 2018-01-25 This magisterial study ten years in the making by one of the field s most distinguished historians will be the first to explore the impact fugitive slaves had on the politics of the critical decade leading up to the Civil War Through the close reading of diverse sources ranging from government documents to personal accounts Richard J M Blackett traces the decisions of slaves to escape the actions of those who assisted them the many ways black communities responded to the capture of fugitive slaves and how local laws either buttressed or undermined enforcement of the federal law Every effort to enforce the law in northern communities produced levels of subversion that generated national debate so much so that on the eve of secession many in the South looking back on the decade could argue that the law had been effectively subverted by those individuals and states who assisted fleeing slaves *The Máldive Islands* Bell, 1883 **Sketches and Stories of the Lake Erie Islands** Lydia Jane Ryall, 1913 Proceedings of the Sixth California Islands Symposium, Ventura, California, December 1-3, 2003 Dave Garcelon, Catherin A. Schwemm, 2005 Sketches and Stories of the Lake Erie Islands Theresa Thorndale, 1913 **History of the Bahama Islands, with a Special Study of the Abolition of Slavery in the Colony** James M.
