

A close-up, dramatic shot of a tiger's face as it roars. The tiger is positioned on the right side of the frame, with its mouth wide open, showing its teeth and tongue. Its eyes are partially visible, looking towards the left. The tiger's fur is dark with prominent orange and black stripes. The background is a dark, textured surface, possibly a piece of wood or stone, with a jagged, irregular hole through which the tiger is emerging. The lighting is low and focused, creating a sense of intensity and power. The overall color palette is dominated by dark browns, blacks, and the tiger's natural colors.
