just placed on the large trailer which had been driven into the clearing The trailer was towed away by a tractor and the large gate in the fence was closed again The buzzing noise become quieter and quieter until the little fir tree could hear only the noises of nature which had become so familiar to him After all the noise of the morning it seemed too quiet to the little fir tree and his thoughts were racing again What happens to the trees that are taken away Why were some put in nets when others weren't How did the men from the nursery decide which tree went where The other trees the older ones couldn't answer his questions either so the little fir tree had no option but to wait and see The little fir tree simply had to know though His curiosity was too great and he had to find out if he had any chance of becoming a Christmas tree Days turned into weeks and the first snow began to fall The little fir tree felt beautiful cloaked in glittering white snow This must be a magical time he thought Indeed it was a magical time the Twelve Days of Christmas had begun Wonderful things happen during the special time between Christmas and Epiphany creatures of nature and those from more ghostly worlds reveal themselves much more readily than at other times of the year So it came to pass that one day the little fir tree met a young angel a creature radiating beauty and light who could answer his questions with patience and love Finally he could experience the true meaning of Christmas and what it would mean to be a Christmas tree His wish one day to be a beautifully decorated Christmas tree standing in a family's living room surrounded by a family with small children grew even stronger The young angel spoke to him saying Be grateful for your wonderful life here and pray that you'll one day be a Christmas tree God fulfills wishes when you truly believe them and *The Little Fir Tree*, 2001 A lonely little fir tree standing by itself at the edge of the forest has its life transformed when a father takes it home to serve as a living Christmas tree for his bedridden son
