Baker,2015-07-01 Night was day and day was night as the crowd streamed in and out of the casino **The Complete Stephen King Universe** Stan Wiater,Stanley Wiater,Christopher Golden,Hank Wagner,2006-05-30 The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King s novels short stories motion pictures miniseries and teleplays and deciphers the threads that exist in all of his work This ultimate resource includes in depth story analyses character breakdowns little known facts and startling revelations on how the plots themes characters and conflicts intertwine publisher website February 2007 The Losers Club Jeff Kinley,2009-08-30 We usually think of Bible characters as dressed with their Sunday best lookin good smelling of accomplishment and holding the posture of unshakeable faith We marvel at these flawless saints while thinking Wow I m not worthy Hey not so fast Believe it or not the most celebrated people in the Bible were plagued by doubt bad decisions and less than perfect reputations In a word most were losers And yet God had plans that would take them beyond their humble imperfect lives and dub them proud members of the losers club Losers Club is a real life look at famous Bible figures such as Moses Solomon David Thomas Rahab and others Each vignette reveals people who struggle with weak faith confusion and frustration people very much like you and me These stories will help you connect with these flawed heroes find encouragement in their stories and get inspired by God s love and care for losers Dissecting Stephen King Heidi Strengell,2005 In a thoughtful well informed study exploring fiction from throughout Stephen King s immense oeuvre Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage Tapping into the wellsprings of the gothic to reveal contemporary phobias King invokes the abnormal and repressed sexuality of the vampire the hubris of Frankenstein the split identity of the werewolf the domestic melodrama of the ghost tale Drawing on myths and fairy tales he creates characters who like the heroic Roland the Gunslinger and the villainous Randall Flagg may either reinforce or subvert the reader s childlike faith in society And in the manner of the naturalist tradition he reinforces a tension between the free will of the individual and the daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men Entertaining Tucson Across the Decades" Volume 1 Robert E.
