## **The Lost Painting:**

**The Lost Painting** Jonathan Harr, 2006-11-07 Told with consummate skill by the writer of the bestselling award winning *A Civil Action* *The Lost Painting* is a remarkable synthesis of history and detective story An Italian village on a hilltop near the Adriatic coast a decaying palazzo facing the sea and in the basement cobwebbed and dusty lit by a single bulb an archive unknown to scholars Here a young graduate student from Rome Francesca Cappelletti makes a discovery that inspires a search for a work of art of incalculable value a painting lost for almost two centuries The artist was Caravaggio a master of the Italian Baroque He was a genius a revolutionary painter and a man beset by personal demons Four hundred years ago he drank and brawled in the taverns and streets of Rome moving from one rooming house to another constantly in and out of jail all the while painting works of transcendent emotional and visual power He rose from obscurity to fame and wealth but success didn't alter his violent temperament His rage finally led him to commit murder forcing him to flee Rome a hunted man He died young alone and under strange circumstances Caravaggio scholars estimate that between sixty and eighty of his works are in existence today Many others no one knows the precise number have been lost to time Somewhere surely a masterpiece lies forgotten in a storeroom or in a small parish church or hanging above a fireplace mistaken for a mere copy Prizewinning author Jonathan Harr embarks on an spellbinding journey to discover the long lost painting known as *The Taking of Christ* its mysterious fate and the circumstances of its disappearance have captivated Caravaggio devotees for years After Francesca Cappelletti stumbles across a clue in that dusty archive she tracks the painting across a continent and hundreds of years of history But it is not until she meets Sergio Benedetti an art restorer working in Ireland that she finally manages to assemble all the pieces of the puzzle Praise for *The Lost Painting* Jonathan Harr has gone to the trouble of writing what will probably be a bestseller rich and wonderful In truth the book reads better than a thriller If you're a sucker for Rome and for dusk you'll enjoy Harr's more clearly reported details about life in the city *The New York Times Book Review* Jonathan Harr has taken the story of the lost painting and woven from it a deeply moving narrative about history art and taste and about the greed envy covetousness and professional jealousy of people who fall prey to obsession It is as perfect a work of narrative nonfiction as you could ever hope to read *The Economist* [Lost Paintings](#) Emma Williams, AI, 2025-02-25 *Lost Paintings* explores the shadowy world of missing masterpieces delving into infamous art heists and disappearances that have baffled investigators and captivated the public The book examines not only the circumstances surrounding the loss of significant works of art but also the far reaching impact on cultural heritage and the art world Did you know that art theft is as old as art itself evolving with societal changes and technological advancements Or that the disappearance of a painting represents a loss of cultural memory The book takes a comprehensive approach beginning with an introduction to art crime and then moving into detailed case studies of high profile stolen art Each case study illuminates the painting's history its disappearance the subsequent investigation and various theories about its fate Major sections focus

on different types of art crime such as museum theft or wartime looting using examples to illustrate the challenges involved in art recovery This true crime investigation is structured to provide a deep dive into the topic making it valuable to art enthusiasts true crime aficionados and anyone interested in the intersection of art crime and cultural heritage It culminates with a discussion of the impact of these losses on art history and the art market and it examines technologies and strategies used to prevent art theft
