Risk and Risk Management in Organic Farming, 2005

Just Food James E. McWilliams, 2009-08-26 We suffer today from food anxiety bombarded as we are with confusing messages about how to eat an ethical diet Should we eat locally Is organic really better for the environment Can genetically modified foods be good for you Just Food does for fresh food what Fast Food Nation did for fast food challenging conventional views and cutting through layers of myth and misinformation For instance an imported tomato is more energy efficient than a local greenhouse grown tomato And farm raised freshwater fish may soon be the most sustainable source of protein Informative and surprising Just Food tells us how to decide what to eat and how our choices can help save the planet and feed the world
