Ideas Don't Die. Companies Do. Hari Abburi, 2025-07-04 Rethink ideas as the real value to the future of your business in a technology world where knowledge is increasingly a commodity In Ideas Don t Die Companies Do renowned voice on disruptive agility and executive Hari Abburi delivers an insightful framework for leaders to future proof their companies by creating an idea obsessed enterprise In the book you ll learn why ideas are more important than customers to disrupt the industry and marketplace The author explains how to distinguish between ideas that are truly original and those that require strategic execution to differentiate them from other choices on the market He offers key insights into how to glean information from other companies who have worked with the idea and how to apply that knowledge to your firm s own idea Inside the book Explanations of the idea moat that creates exponential value at one company as opposed to another that uses similar ideas Compelling answers to questions about idea timing and why ideas that failed a few years ago can be successful today How to shift your company s focus from thinking customers to thinking ideas Perfect for managers executives entrepreneurs founders and other business leaders Ideas Don t Die Companies Do will also benefit product team leaders and other innovators with a desire to bring new and exciting ideas to the market

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles As there is no standard model to use for implementation a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized This book presents the views opinions and reality of remote work and creating an appropriate internal marketing culture in a remote environment The key topics explored are the significance of remote work remote work practice reshaping the work environment designing remote work models of remote work challenges of remote work facing business organizations remote work management innovations and technology the role of motivation and satisfaction in organizational development employee empowerment in

a remote setting transparency and commitment for sustainable development and the future of remote work This research volume will be of value to researchers academicians practitioners and students in the fields of human resource management organizational studies and innovation management
