**A State of Disobedience** Tom Kratman,2003-12-01 It s Time to Remember the Alamo All Over Again In the long war against terrorism the US Government had taken on extraordinary powers And now that the war was won powerful forces in the government had no intention of relinquishing those powers As in 1860 the country was on the verge of civil war And as in 1860 a leader arose to save the country but it was not the President this time Instead the Governor of Texas was the woman of destiny And though the Federal Government had more guns and troops David was about to give Goliath a run for his money At the publisher s request this title is sold without DRM Digital Rights Management Probably the most realistic depiction of a second American Revolution ever written John Ringo **Documents of the Senate of the State of New York** New York (State).
