State Of Sequoyah:

The State of Sequoyah Donald L. Fixico, 2024-10-22 Few people today know that the forty sixth state could have been Sequoyah not Oklahoma The Five Tribes of Indian Territory gathered in 1905 to form their own Indian led state Leaders of the Cherokees Chickasaws Choctaws Muscogeas and Seminoles drafted a constitution which eligible voters then ratified In the end Congress denied their request but the movement that fueled their efforts transcends that single defeat Researched and interpreted by distinguished Native historian Donald L Fixico this book tells the remarkable story of how the state of Sequoyah movement unfolded and the extent to which it remains alive today Fixico tells how the Five Nations after removal to the west negotiated treaties with the U S government and lobbied Congress to allow them to retain communal control of their lands as sovereign nations In the wake of the Civil War while a dozen bills in Congress proposed changing the status of Indian Territory the Five Tribes sought strength in unity The Boomer movement and seven land dispensations beginning with the famous run of 1889 nevertheless eroded their borders and threatened their cultural and political autonomy President Theodore Roosevelt ultimately declared his support for the merging of Indian Territory with Oklahoma Territory paving the way for Oklahoma statehood in 1907 and shattering the state of Sequoyah dream Yet the Five Tribes persevered Fixico concludes his narrative by highlighting recent U S Supreme Court decisions most notably *McGirt v Oklahoma* 2020 that have reaffirmed the sovereignty of Indian nations over their lands and people a principal inherent in the Sequoyah movement Did the story end in 1907 Could the Five Tribes revive their plan for separate statehood Fixico leaves the reader to ponder this intriguing possibility
