101 Sparks of Inspiration Maralene Wesner, Miles Wesner, 2022-09-15 Many churches today have lay ministers or bivocational pastors These dedicated leaders often work at secular jobs yet must prepare two or three sermons a week This can be a real challenge Most of the brief compositions in this book can stand alone as quick devotionals or they can be used as sermon starters by providing suggested topics and outlines that include extensive scriptural research This saves leaders and teachers time but still allows them to add their own special insights develop their own applications and adapt the material to their own personal style All of these starters were originally used in a small rural church where we served as bivocational pastors for more than fifty years

Inspirational and Sermon Starter Stories Frank Massaro, 2022-08-13 Twenty years ago I began printing emails that contained short and long inspirational stories quick quotes poems jokes and other items that were forwarded by many of my Christian friends I have finally organized these emails into those categories that will be useful while conducting Sunday school classes bible study delivering a sermon addressing civic groups changing a church sign or to someone just needing a spiritual uplift This is a book that will give a speaker an idea for a message or an avid reader who only has a few minutes during a busy schedule to pause for an uplifting message It s a book where you can start and stop at any time and come back to without having to review a previous chapter to get the impact of the story You will find new Christian ideas and messages on every page You can even make one of these stories into a church play or lyrics to a song
