## **Sumerki Zapada:**

*Russian Social Science Review* ,2007      **Russian Politics and Law** ,2007      **The Bakhtin Circle** Craig Brandist,David Shepherd,Galin Tihanov,2004-06-26 The Russian philosopher and cultural theorist Mikhail Bakhtin has traditionally been seen as the leading figure in the group of intellectuals known as the Bakhtin Circle The writings of other members of the Circle are considered much less important than his work while Bakhtin s achievement has been exaggerated in proportion to the downgrading of the thinkers with whom he associated in the 1920s This volume which includes new translations and studies of the work of the most important members of the Circle sets out to correct the distortions in the established representations of its activity The original contributions to literary and linguistic theory made by Valentin Voloshinov and Pavel Medvedev but frequently credited to Bakhtin are assessed and the distinctiveness of their approaches is highlighted      *The Russian Koreans in the 1920s and 1930s* Zhanna Grigorievna Son,2025-12-18 This book offers the first comprehensive exploration of the history of Soviet Koreans 1920s 1930s focusing into their experiences in the USSR It examines the impact of Stalin s foreign and domestic policies on Soviet Koreans their role in the socio economic development of the Far East and their contributions to the Red Army as well as the cultural and educational aspects of their lives Key themes include the political repression of Soviet Koreans during Stalin s era and their subsequent rehabilitation in the Russian Federation      *Nabokov and the Russian Diaspora* Bryan Karetnyk,2025-11-01 This book presents a sustained and systematic analysis of the totalitarian topos across Vladimir Nabokov s life and career Contributing to the ongoing reappraisal of Nabokov s writing in its engagement with politics and ideology this study contends that the rise of totalitarianism constituted one of the most urgent substantial and complex issues with which Nabokov and his peers in emigration had to contend Yet while the precarious exilic status of the Russian diaspora not only made the spread of totalitarian ideologies and dictatorships an acute and tangible danger it also perversely afforded its members exceptionally free scope to respond intellectually and creatively as individuals outside and on the limits of these systems This is the first book that critically and comprehensively examines Nabokov s literary and intellectual responses to the rise of totalitarian systems and ideologies contextualizing them within those of his peers in the first wave of Russian emigration      *Bibliographie Mensuelle* United Nations Library (Geneva, Switzerland),1993      *Le Corbusier et la mystique de l'URSS* Jean-Louis Cohen,1987      **Croatica u godini 1972** Ana Stojević,1978      **Croatica bibliografije** ,1978      *Propast Zapada* Oswald Spengler,1936      **Zarja i sumerki** Marija Geza,1972
