Summer Lightning:

Summer Lightning Pelham Grenville Wodehouse, 1935 **Summer Lightning** Pelham Grenville Wodehouse, Ian Carmichael, 1988 **Summer Lightning** P. G. Wodehouse, 2000 The Honourable Galahad Threepwood has decided to write his memoirs and England's aristocrats are all diving for cover not least Galahad's formidable sister Lady Constance Keeble who fears that her brother will ruin the family reputation with saucy stories of the 1890s But Galahad's memoirs are not the only cause for concern Yet again Lord Emsworth's prize pig has been stolen and as usual the castle seems to be buzzing with imposters all pretending to be one another Love and natural justice triumph in the end but not before Wodehouse has tangled and unangled a plot of Shakespearean complexity in a novel which might as well be subtitled *The Price of the Papers*

Decisions at Second Manassas Matt Spruill, Matt Spruill IV, 2018-03-19 Many consider the Battle of Chancellorsville to be Confederate General Robert E Lee's greatest offensive operation However the Battle of Second Manassas may be even more significant Lee's victory at Chancellorsville resulted in the status quo His success at Second Manassas moved the center of the war in the east from Richmond to just outside Washington DC and set the stage for Lee's first incursion onto Northern soil *Decisions at Second Manassas* introduces readers to critical decisions made by Confederate and Union commanders Matt Spruill III and Matt Spruill IV examine the decisions that shaped the way the campaign and battle unfolded Rather than offering a history of the Battle of Second Manassas the Spruills focus on the critical decisions those decisions that had a major impact on both Federal and Confederate forces in shaping the progression of the battle as we know it today This account is designed to present the reader with a coherent and manageable blueprint of the battle's development Exploring and studying the critical decisions allows the reader to progress from an understanding of what happened to why events happened as they did Complete with maps and a guided tour *Decisions at Second Manassas* is an indispensable primer and readers looking for a digestible introduction to the Battle of Second Manassas can tour this sacred ground or read about it at their leisure with key insights into the battle and a deeper understanding of the Civil War itself *Decisions at Second Manassas* is the second in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War Matt Spruill III is a retired U S Army colonel and Civil War historian and lecturer A former Gettysburg licensed battlefield guide he is the author of eight previously Civil War books including most recently *Decisions at Stones River* *The Sixteen Critical Decisions That Defined the Battle* and *Summer Lightning A Guide to the Second Battle of Manassas* Matt Spruill IV is a retired U S Army lieutenant colonel and vice president of a company in the modeling simulation and training industry He is the author of two previous books *Summer Lightning A Guide to the Second Battle of Manassas* and *Echoes of Thunder A Guide to the Seven Days Battles* *Bard's Oath* Joanne Bertin, 2012-11-27 The long awaited sequel to the epic fantasy *Dragon and Phoenix* *Summer Lightning* Pelham Grenville Wodehouse, 1929 Madness ensues when the Honourable Galahad Threepwood decides to write his memoirs not to mention all the imposters running around Blandings
