## Summer Visitors:

**The Summer Visitors** Karel Hayes, 2011-07-16 This follow up to the successful *The Winter Visitors* traces the interactions between a family of bears and a human family during their summer stay at a lake cottage. Told primarily through illustration with only a few dozen words in the book, children and parents and grandparents alike will delight in following the antics of the bumbling bears as they enjoy the comforts of cottage life but also try to avoid detection by their human hosts. In this enhanced edition, enjoy read-along and fun animations that bring the story to life.
