Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God s Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals

The Summons Alfred Edward Woodley Mason, 1920 Lutrell Lutrell Sir Charles Hardiman stood in the corridor of his

steam yacht and bawled the name through a closed door But no answer was returned from the other side of the door He turned the handle and went in The night was falling but the cabin windows looked towards the north and the room was full of light and of a low and pleasant music For the tide tinkled and chattered against the ship s planks and in the gardens of the town across the harbour bands were playing The town was Stockholm in the year nineteen hundred and twelve and on this afternoon the Olympic games that unfortunate effort to promote goodwill amongst the nations which did little but increase rancours and disclose hatreds had ended never it is to be hoped to be resumed Luttrell cried Hardiman again but this time with perplexity in his voice For Luttrell was there in the cabin in front of him but sunk in so deep a contemplation of memories and prospects that the cabin might just as well have been empty Sir Charles Hardiman touched him on the shoulder Wake up old man That s what I am doing waking up said Luttrell turning without any start He was seated in front of the writing desk a young man as the world went before the war a few months short of twenty eight The launch is waiting and everybody s on deck continued Hardiman We shall lose our table at Hasselbacken if we don t get off Then he caught sight of a telegram lying upon the writing table Oh and the impatience died out of his voice Is anything the matter Luttrell pushed the telegram towards his host Read it I have got to make up my mind and now before we start Hardiman read the telegram It was addressed to Captain Harry Luttrell Yacht The Dragonfly Stockholm and it was sent from Cairo by the Adjutant General of the Egyptian Army I can make room for you but you must apply immediately to be transferred Hardiman sat down in a chair by the side of the table against the wall with his eyes on Luttrell s face He was a big softish overfed man of forty five and the moment he began to relax from the upright position his body went with a run he collapsed rather than sat The little veins were beginning to show like tiny scarlet threads across his nose and on the fullness of his cheeks his face was the colour of wine and the pupils of his pale eyes were ringed with so pronounced an arcus senilis that they commanded the attention like a disfigurement But the eyes were shrewd and kindly enough as they dwelt upon the troubled face of his guest You have not answered this he asked No But I must send an answer to night
