Yudkin, International Center for University Teaching of Jewish Civilization, 1993 Although writers have encountered difficulty in finding the appropriate medium for the transcription of the Holocaust experience the Holocaust has become a major theme in Hebrew literature This volume seeks to examine the ways in which the experience has been approached and conveyed to the reader by Israeli writing *The Shriek of Silence* David Patterson, 2021-12-14 In the Holocaust novel silence is always a character and the word is always its subject matter So writes David Patterson in this profound and original study of more than thirty important writers Contrary to existing views he argues the Holocaust novel is not an attempt to depict an unimaginable reality or an ineffable horror It is rather an endeavor to fetch the word from silence and restore it to meaning to resurrect the human soul to regenerate the relation between the self and God the self and other the self and itself This book is less a critical study in the usual sense than an impassioned meditation on the deeper sources of the Holocaust novel Among the authors examined are Elie Wiesel Arnost Lustig Aharon Appelfeld Katzetnik 135633 Primo Levi Yehuda Amichai Piotr Rawicz A Anatoli Saul Bellow I B Singer Anna Langfus Rachmil Bryks and Ilse Aichinger The Shriek of Silence is a first in several respects the first to examine the Holocaust novels in their original languages the first to articulate a theoretical basis for its approach and the first phenomenological investigation one that attempts to penetrate the process of creation for these novelists Organized along conceptual lines the book examines the word in exile the themes of death of the father and the child transformations of the self and the implications of the reader Its philosophical foundations are Rosenzweig Buber Neher and Levinas Its critical approach is shaped by Bakhtin The novelists of the Holocaust in witnessing through their words regain their voices and in so doing are reborn By probing the depths of their struggle Patterson s study draws us too toward a higher understanding perhaps even our own rebirth Primo Levi and Ka-Tzetnik Yochai Ataria, 2021-07-14 This book is about Primo Levi and Ka Tzetnik both Auschwitz survivors and central figures in the shaping of Holocaust memory who dedicated their lives to bearing witness and writing about the concentration camps seeking in particular to give voice to those who did not return The two writers are generally treated as complete opposites Levi level headed and self aware Ka Tzetnik caught up in repeating the traumatic past In this book I show how fundamentally mistaken this approach is and how the similarity between them is in fact far greater than it may seem While Levi draws the map Ka Tzetnik reveals the territory itself and taken together they offer a better understanding of the human experience of the camps This book explores their writing and their lives up to their deaths Ka Tzetnik of old age and Levi by his own hand offering new explanations of Levi s
