

WHAT IS COMFORT?

Comfort is a feeling of relief, calmness, and emotional support that we experience when we feel sad, distressed, or going through difficult times.

It's like a hug for the soul, a way to find solace and consolation in the midst of adversity.

It can come from the understanding and empathy of others, from words of encouragement, or gestures of affection.

Comfort provides us with a sense of hope and helps us heal emotionally.

It reminds us that we are not alone and gives us strength to move forward, even in the darkest moments.
