## **Texas A World In Itself:**

*Texas* George Sessions Perry,1942      *Texas* George Sessions Perry,1975      *Texas a World in Itself - Primary Source Edition* George Sessions Perry,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

*The Patchwork of World History in Texas High Schools* Stephen Jackson,2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States      *Texas and World War I* Gregory W. Ball,2019-02-26 On November 11 1918 what was then called the Great War ended The consequences of four years of warfare in Europe reverberated throughout the world leaving few places untouched Even though it was far from the scenes of conflict Texas was forever changed as historian Gregory W Ball details in *Texas and World War I* This accessible history recounts the ways in which the war affected Texas and Texans politically socially and economically Texas s position on the United States border with Mexico and on the western edge of the American South profoundly influenced the ways in which the war affected the state from fears of invasion from the across the Rio Grande fears that put the state s significant German American population under suspicion to the racial tensions that flared when African American soldiers challenged Jim Crow When thousands of Texas men were drafted into the U S Army and the federal government developed a host of training grounds and airfields many close to the state s burgeoning cities in response to U S entry into the war this heavily rural state that had long been outside the national mainstream was had become more

American than ever before      *Southwest Writers Series: George Sessions Perry* ,1967      **The University of Texas Record**  
University of Texas,1899 Vol 6 no 4 The Prather memorial      **The Oil Barons** Richard O'Connor,1971 Documents and  
evaluates the growth of wealth and political and economic power among the leaders of the oil industries in America  
**Texas Bankers Record** ,1929      **Narratives of Confinement in American Popular Culture** Firuze  
Güzel,2025-10-29 American popular culture has a rich potential for delivering the narratives of the American people who are  
often confined by their race ethnicity gender social class economic situation or in very simple terms by the conditions of their  
birth In this context the volume focuses on the confinement narratives within the products of popular culture displaying how  
movies documentaries authors and artists explore the theme of confinement      **Sketches from the Five States of Texas**  
A. C. Greene,1998 When veteran columnist A C Greene turns his eyes on Texas he sees a variety of experiences and a scope  
of history that fascinate the rest of us Under its annexation terms Texas is allowed to divide itself into as many as six states  
While that is not ever likely to happen Greene masterfully shows that several cultural states do exist within the one political  
entity of Texas and have throughout the state s history Greene has a wide ranging curiosity about the facts of Texas history  
what lies behind them what quirks of human nature they reveal how the people who lived them might have experienced them  
roads not taken and why things have come to be as they are His historical writing has helped make Texas past accessible and  
even interesting to the public for over forty years Spotighting individuals places and events that make for distinctiveness  
Sketches from the Five States of Texas features oddities and little known facts that present a kind of history within history  
Several sketches look at inventions or innovations such as plows and Other pieces focus on historic moments the first long  
distance telephone service the last messenger from the Alamo Transportation is a theme that runs through this book trains  
planes including a box kite contraption early automobiles and roads and steamboats ice boats and war boats Place names get  
attention too peculiar names unexpected sources and long lost places Naturally the wars of Texas are also covered the  
Revolution the Indian wars the Civil War and the Texas Navies The pieces in this collection originated for the most part in  
Greene s popular Dallas Morning News columns several sketches and all the regional introductions are completely new  
Aficionados of Texas history will already know some of what they read here but they will not know all of it Greene s nuggets  
of history will inform and entertain a wide reading public They represent A C Greene at his best and most engaging and the  
states of Texas at their best too      **The Texas Outlook** ,1925      *Campbell's Illustrated Monthly* ,1891      The Market  
World and Chronicle ,1911      **Texas Review** ,1922      *Digest; Review of Reviews Incorporating Literary Digest* ,1918  
**The Texaco Star** ,1914      *Traffic World and Traffic Bulletin* ,1916      *Texas Medical Journal* ,1910      The Church and  
the World ,1874
