*The Burning Light* Ernesto Galarza, Gabrielle S. Morris, Timothy Beard, 1982      [Ancient Greek Myth in Modern Greek Poetry](#) Peter Mackridge, 2023-03-31 Originally published in 1996 this volume contains essays by scholars critics and translators and includes themes such as the myth in the Cretan Renaissance and the use of ancient myth by 19th and 20th Century poets Some essays deal with individual mythical figures such as Odysseus Orpheus Prometheus and Aphrodite while others deal with the problematic issue of the use of myth by Greek women poets The discussion is completed by comparing attitudes to the ancient Greeks as embodied in English and modern Greek poetry      [Crowman](#) David Rae, 2020-03-13 Touch the light Hold the light The light burns The light runs away Hold the light Lock the light away The great spirit Vatu keeps the Sun in a box where no thief can steal it Once a year the box is opened and life springs across the dark lands The whole world belongs to Vatu He is darkness he is master of all There is no hiding from him But Utas must try for his daughter s sake She is sick from darkness and yet she glows with a mysterious light If Vatu can find them he will destroy them or worse drag them back into his mad dark world Torn between duty and mercy between justice and freedom Utas tries to escape but it seems inevitable that the darkness will reclaim him For the greatest mercy and the greatest punishment Utas can suffer is to return to his true self      [Off We Go Into the Wild Blue Yonder](#) Travis Nichols, 2010-05-01 Titled after the US Air Force song this engaging debut explores the legacy of the Greatest Generation from the perspective of Generation Y the fallout of war through the eyes of a pacifist and the enduring human desire for love adventure truth and understanding Pensive in the wake of 9 11 a young man our correspondent between the past and the present launches a mission to reunite his beloved grandfather an American bombardier with Luddie the woman who saved him during WWII Armed only with the address on the back of an old photograph and his grandfather s memories the young man begins writing letters to Luddie Undaunted by her lack of response the narrator travels to Poland with his girlfriend and grandfather As they come closer to finding the site where the bombardier was shot down the letters to Luddie become more personal and the saga of a family with a long and storied history emerges Beautifully orchestrated and eloquently original each sentence slowly builds upon the next in a charming style both poetic and engrossing A tale of soldiers and saviors of burning and bombing of fathers and sons and brothers and lovers this is also the story of what we find when we dare to revisit the past Born in Iowa in 1979 Travis Nichols now lives in Chicago An editor at the Poetry Foundation his writing has appeared in *The Village Voice* *The Believer* *Details* *Paste* *Seattle Post Intelligencer* and *The Stranger* *Off We Go Into the Wild Blue Yonder* is his first novel      [Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists](#) Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is

dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices **The Primitive Church Magazine** ,1852 *The lighthouses of the world, revised and ed. by W.R.
