

The Captains Log

Great Britain. Public Record Office

The Captains Log:

Serving the Old Dominion Phillip Hamilton, 2011 Placing the university's development into the larger context of American higher education Phillip Hamilton narrates CNU's growth and evolution across five decades In 1958 Hampton Roads leaders initiated discussions with state officials to create a commuter college on the Peninsula to serve both working adults and the baby boom generation Initially a two year branch of the College of William and Mary CNU quickly established a tradition of excellent teaching led by a dedicated faculty *Reprint of Statutes, Rules and Schedules Governing the Disposal of Public Records by Destruction Or Otherwise 1877-1913* Great Britain, Great Britain. Public Record Office, 1914

The Falklands Saga Graham Pascoe, 2024-02-15 The Falklands Saga presents abundant evidence from hundreds of pages of documents in archives and libraries in Buenos Aires La Plata Montevideo London Cambridge Stanley Paris Munich and Washington DC some never printed before many printed here for the first time in English and where different in their original languages Spanish French German Italian Latin or Dutch It provides the facts to correct the fallacies and distortions in accounts by earlier authors It reveals persuasive evidence that the Falklands were discovered by a Portuguese expedition at the latest around 1518 19 and not by Vespucci or Magellan It demonstrates conclusively that the Anglo Spanish agreement of 1771 did not contain a reservation of Spanish rights that Britain did not make a secret promise to abandon the islands and that the Nootka Sound Convention of 1790 did not restrict Britain's rights in the Falklands but greatly extended them at the expense of Spain For the first time ever the despairing letters from the Falklands written in German in 1824 to Louis Vernet by his brother Emilio are printed here in full in both the original German and in English translation revealing the total chaos of the abortive 1824 Argentine expedition to the islands This book reveals how tiny the Argentine settlement in the islands was in 1826 33 In April 1829 there were only 52 people and there was a constant turnover of population many people stayed only a few months and the population reached its maximum of 128 only for a few weeks in mid 1831 before declining to 37 people at the beginning of 1833 This work also refutes the falsehood that Britain expelled an Argentine population from the Falklands in 1833 That myth has been Argentina's principal propaganda weapon since the 1960s in its attempts to undermine Falkland Islanders right to self determination In fact Britain encouraged the residents to stay and only a handful left the islands A crucial document printed here is the 1850 Convention of Peace between Argentina and Britain At Argentina's insistence this was a comprehensive peace treaty which restored perfect friendship between the two countries Critical exchanges between the Argentine and British negotiators are printed here in detail which show that Argentina dropped its claim to the Falklands and accepted that the islands are British That and the many later acts by Argentina described here definitively ended any Argentine title to the islands The islands history is placed in its world context with detailed accounts of the First Falklands Crisis of 1764 71 the Second Falklands Crisis of 1831 3 the Years of Confusion 1811 1850 and the Third Falklands Crisis of 1982 the Falklands War as well as a Falklands perspective on the First and Second World Wars including

the Battle of the Falklands 1914 and the Battle of the River Plate 1939 with extensive details and texts from German sources The legal status of the Falklands is analysed by reference to legal works to United Nations resolutions on decolonisation and to rulings by the International Court of Justice which together demonstrate conclusively that the islands are British territory in international law and that the Falkland Islanders who have now 2024 lived in their country for over 180 years and for nine generations are a unique people who are holders of territorial sovereignty with the full right of external self determination

The 1797 Naval Mutinies and Popular Protest in Britain Callum Easton,2025-09-02 This book offers a holistic re evaluation of the Spithead and Nore mutinies of 1797 which immobilised the two Royal Navy fleets responsible for Britain s defence at a time when invasion seemed likely The mutinies represent two of the most serious manifestations of collective resistance in eighteenth century Britain yet they have received relatively little attention in recent historiography This book challenges the predominant view that the mutinies represented attempts at revolutionary uprising arguing that the mutineers were instead focused on the mutineers understanding of fairness and focused on securing appropriate wages In doing so it presents an opportunity to scrutinise foundational elements of British society from notions of reciprocal rights and responsibilities to relations between the state and individuals Star Trek and the British Age of Sail Stefan

Rabitsch,2018-12-06 Clear all moorings one half impulse power and set course for a mare incognitum A popular culture artifact of the New Frontier Space Race era Star Trek is often mistakenly viewed as a Space Western However the Western format is not what governs the worldbuilding of Star Trek which was after all also pitched as Hornblower in space Star Trek is modeled on the world of the British Golden Age of Sail as it is commonly found in the genre of sea fiction This book re historicizes and remaps the origins of the franchise and subsequently the entirety of its fictional world the Star Trek continuum on an as yet uncharted transatlantic bearing *Ocean Trade and Shipping* Douglas Owen,1914 **The 1st-Annual Report of the Deputy Keeper of the Public Records ...** Great Britain. Public Record Office,1847 **Report of the Deputy Keeper of the Public Records** ,1848 The National and English Review ,1906 **The Log of Bob Bartlett**

Bob Bartlett,1928 Autobiography of veteran Arctic navigator who in addition to other expeditions accompanied Peary on his North Pole expeditions **The Star Captains** Tom Wareham,2001 This is the first book to look at the nature of frigate command to ask important questions about how and why such officers were appointed what was expected of them and how they were rewarded The picture that emerges is one of conscious selection and fast track promotion not merely young men serving an apprenticeship before moving on to the command of a battleship but a real elite with specific and highly prized skills For the first time it reveals that the romanticised image portrayed in the novels of C S Forester and Patrick O Brian was indeed close to the truth frigate captains were outstanding officers whose careers followed separate paths from their less talented contemporaries As such this is a major contribution to the broader understanding of the workings of Nelson s navy

BOOK JACKET **Report of the Deputy Keeper of Public Records** Great Britain. Public Record Office,1846

Publications Naval History Society,1913 *Journal and Proceedings* Royal Australian Historical Society,1901 Includes the Society s Annual report and statement of accounts **"Ships Logs and Captains' Diaries of Old Cape Cod"** Cape Cod Chamber of Commerce,1937 **Guide to the Materials in London Archives for the History of the United States Since 1783** Charles Oscar Paullin,Frederic Logan Paxson,1914 *Guide to the Materials for American History, to 1783, in the Public Records Office of Great Britain* Charles McLean Andrews,1914 **Sessional Papers** Great Britain. Parliament. House of Commons,1903 *Parliamentary Papers* Great Britain. Parliament. House of Commons,1908 Reports to the Permanent Committee of the First International Meteorological Congress at Vienna on Atmospheric Electricity, Maritime Meteorology, Weather Telegraphy ,1878
