**The Lucketts** Ivo Greenwell,2002-12 Seldom in the history of man has there been a time when individual freedom and aspirations led to the formation of a great nation as that which took place in 19th century America This is the Lockett s story in that great century of expansion It is a story of stubborn pioneer spirit and creativity war and peace hate and greed suffering and happiness But most of all the Lucketts show us how our ancestors lived prospered and died Thereby creating the basis for us to understand and protect what we have been given and vanquish those who would take it away **The Kingdom by the Sea** Paul Theroux,2011-10-27 As mentioned in The Times Travel Book Club 2020 Award winning writer Paul Theroux embarks on a journey that though closer to home than most of his expeditions uncovers some surprising truths about Britain and the British people in the 80s in The Kingdom by the Sea A Journey Around the Coast of Great Britain Paul Theroux s round Britain travelogue is funny perceptive and best avoided by patriots with high blood pressure After eleven years living as an American in London Paul Theroux set out to travel clockwise round the coast and find out what Britain and the British are really like It was 1982 the summer of the Falklands War the ideal time he found to surprise the British into talking about themselves The result makes superbly vivid and engaging reading A sharp and funny descriptive writer One of his golden talents perhaps because he is American and therefore classless in British eyes is the ability to chat up and get on with all sorts and conditions of British Theroux is a good companion The Times Filled with history insights landscape epiphanies meditations celebrations and laments The New York Times Few of us have seen the entirety of the coast and I for one am grateful to Mr Theroux for making my journey unnecessary He describes it all brilliantly and honestly Anthony Burgess Observer American travel writer Paul Theroux is known for the rich descriptions of people and places that is often streaked with his distinctive sense of irony his other non fiction titles Riding the Iron Rooster The Happy Isles of Oceania Sunrise with Seamonsters The Tao of Travel Ghost Train to the Eastern Star The Old Patagonian Express The Great Railway Bazaar Dark Star Safari Fresh air Fiend Sir Vidia s Shadow The Pillars of Hercules and his novels and collections of short stories including the James Tait Black Memorial Prize winner The Mosquito Coast are available from Penguin Loudoun County Fire and Rescue Apparatus History Mike Sanders,2007 The formation of the volunteer fire and rescue departments were a central part of Loudoun County s rich history In the beginning residents rallied to provide fire protection and emergency medical care to their neighbors As more communities were established fire and rescue departments worked together to provide assistance to each other during an emergency As Loudoun County experiences incredible growth volunteers from the community work side by side with career personnel to ensure that citizens are well protected The images in this volume capture the history of Loudoun s fire and rescue apparatus from the earliest trucks to today s modern fire and rescue vehicles The photographs depict a time when departments struggled to raise funds and provide protection to their communities This Images of America book shows how far fire and rescue departments have come to ensure the protection of

life and property in Loudoun County      Slowspoke Mark Schimmoeller,2014-07-30 Why a unicycle Why a cross country trip Why leave a prominent New York magazine and return to the simple life in Kentucky Reminiscent of classic literary travelogues Mark Schimmoeller s Slowspoke A Unicyclist s Guide to America takes readers on an inward emotional journey as he inches across landscapes and communities from North Carolina to Arizona Schimmoeller became inspired by his unicycle as an adolescent It taught him that rushing whether down the driveway or toward adulthood would cause a fall and so instead of accepting the speeding straight line that defines modern American life he adopted his single wheel s wayward rhythms Written with poise and humor Slowspoke is more than a cross country trip on a unicycle it s a meditation on a playful recalcitrant slowness that is increasingly rare in a culture obsessed with acceleration At times ach ing and other times joyful Schimmoeller intersperses recollections of his journey with vignettes of his present day off the grid homesteading with his wife in Kentucky and their efforts to save an old growth forest Schimmoeller s personal journey will resonate with anyone who has slowed down to experience life at a unicycle s speed or who longs to do so who has fallen in love or searched for it or who has treasured tall trees or mourned their loss      *Journey Through Hallowed Ground* David Lillard,2006 For history buffs visit more than 100 historical sites down The Old Carolina Road US Route 15 from Gettysburg Pennsylvania through Maryland to Charlottesville Virginia PLUS where to stay and where to eat along the way      **Delta Epiphany** Ellen B. Meacham,2018-04-02 In April 1967 a year before his run for president Senator Robert F Kennedy knelt in a crumbling shack in Mississippi trying to coax a response from a listless child The toddler sat picking at dried rice and beans spilled over the dirt floor as Kennedy former US attorney general and brother to a president touched the boy s distended stomach and stroked his face and hair After several minutes with little response the senator walked out the back door wiping away tears In Delta Epiphany Robert F Kennedy in Mississippi Ellen B Meacham tells the story of Kennedy s visit to the Delta while also examining the forces of history economics and politics that shaped the lives of the children he met in Mississippi in 1967 and the decades that followed The book includes thirty seven powerful photographs a dozen published here for the first time Kennedy s visit to the Mississippi Delta as part of a Senate subcommittee investigation of poverty programs lasted only a few hours but Kennedy the people he encountered Mississippi and the nation felt the impact of that journey for much longer His visit and its aftermath crystallized many of the domestic issues that later moved Kennedy toward his candidacy for the presidency Upon his return to Washington Kennedy immediately began seeking ways to help the children he met on his visit however his efforts were frustrated by institutional obstacles and blocked by powerful men who were indifferent and at times hostile to the plight of poor black children Sadly we know what happened to Kennedy but this book also introduces us to three of the children he met on his visit including the baby on the floor and finishes their stories Kennedy talked about what he had seen in Mississippi for the remaining fourteen months of his life His vision for America was shaped by the plight of the hungry children he encountered there      *Reports of Cases Argued and Decided in the Supreme Court of the State of*
