John Cantwell Kiley

The Breakaway Pope:

The Breakaway Pope John Cantwell Kiley, 2002 Finally after two thousand years of circling the wagons against its many critics Martin Luther and Henry VIII being the most devastating the Vatican is taken to task internally by the Pope himself Pope John XXIII's Vatican II innovations were as nothing compared to what Pope Peter II will do Admittedly he is a fictional Pope proposed as the immediate successor to the present Pope John Paul II but in life when do facts end and fictions begin In The Breakaway Pope Pope Peter II acts with all the authority vested in his office as the Vicar of Christ His is an inside job And it is met with fierce virtually unanimous resistance from the Cardinals who elected him and who now want to depose him for heresy This effort is spearheaded by the Cardinal Secretary of State a Jesuit who like all Jesuit priests took a fourth vow to defend the Pope All this is happening in a world threatened by the unleashing of weapons of mass destruction which could spell the end of human planetary life

The Pope's Battalions Ross Fitzgerald, Adam James Carr, William J. Dealy, 2003 A prophet whose confident prophecies were frequently proved wrong B A Santamaria profoundly affected 20th century Australian political life Although he rarely gave interviews and never held elected office Santamaria became widely known through his regular commentaries in the Australian and in his magazine News Weekly Building on his battle against Communist influence in the trade unions Santamaria boldly attempted to capture the ALP and transform it into a European style Christian Democrat party The ensuing split was disastrous demoralising the ALP and casting Santamaria out of the Labor fold for all time
