lifelike power of characterization belongs in the highest degree to *The Pilgrim's Progress*. It is hardly inferior in *The Holy War* though with some exceptions the people of Mansoul have failed to engrave themselves on the popular memory as the characters of the earlier allegory have done. The secret of this graphic power which gives *The Pilgrim's Progress* its universal popularity is that Bunyan describes men and women of his own day such as he had known and seen them. They are not fancy pictures but literal portraits. Edmund Venables M.A. Author Amazon.com

*The Palace Beautiful* Timothy M. Haupt, 2025-06-23 John Bunyan is best known as the author of *The Pilgrim's Progress* his immortal allegory of the Christian life as well as for his influential spiritual autobiography *Grace Abounding to the Chief of Sinners*. Less known is that Bunyan's doctrine of the church drew the ire of seventeenth century Baptists and thrust him into a controversy over the terms of church membership and communion that helped to define the boundaries of Baptist identity. In *The Palace Beautiful* Timothy Haupt offers a historical and systematic analysis of Bunyan's ecclesiology a comprehensive examination of the communion controversy and a thorough investigation of seventeenth century Baptist identity. Was Bunyan a Baptist? Haupt argues that the communion controversy was not a debate among fellow Baptists over a secondary issue of church practice but a dispute over fundamentally different ecclesiologies.

*A Fortune-Teller Told Me* Tiziano Terzani, 2010-02-17 Warned by a Hong Kong fortune teller not to risk flying for a whole year Tiziano Terzani a vastly experienced Asia correspondent took what he called the first step into an unknown world. It turned out to be one of the most extraordinary years I have ever spent. I was marked for death and instead I was reborn. Traveling by foot boat bus car and train he visited Burma Thailand Laos Cambodia Vietnam China Mongolia Japan Indonesia Singapore and Malaysia. Geography expanded under his feet. He consulted soothsayers sorcerers and shamans and received much advice some wise some otherwise about his future. With time to think he learned to understand respect and fear for older ways of life and beliefs now threatened by the crasser forms of Western modernity. He rediscovered a place he had been reporting on for decades. And it reinvigorated him. The result is an immensely engaging insightful and idiosyncratic journey filled with unexpected delights and strange encounters. A bestseller and major prizewinner in Italy *A Fortune Teller Told Me* is a powerful warning against the new missionaries of materialism.
