Religion and the Racist Right Michael Barkun,2014-02-01 According to Michael Barkun many white supremacist groups of the radical right are deeply committed to the distinctive but little recognized religious position known as Christian Identity In Religion and the Racist Right 1994 Barkun provided the first sustained exploration of the ideological and organizational development of the Christian Identity movement In a new chapter written for the revised edition he traces the role of Christian Identity figures in the dramatic events of the first half of the 1990s from the Oklahoma City bombing and the rise of the militia movement to the Freeman standoff in Montana He also explores the government s evolving response to these challenges to the legitimacy of the state Michael Barkun is professor of political science in the Maxwell School of Citizenship and Public Affairs at Syracuse University He is author of several books including Crucible of the Millennium The Burned over District of New York in the 1840s [Bibliography on Racism, 1972-1975](#) Center for Minority Group Mental Health Programs (U.S.),1978

The 2012 Nomination and the Future of the Republican Party William J. Miller Jr.,2013-08-28 The 2012 Republican nomination process went on longer than most pundits predicted early on While Mitt Romney began the season as the prohibitive favorite he was tested repeatedly by what was seemingly the Republican flavor of the week including Michele Bachmann Herman Cain Rick Perry Newt Gingrich and Rick Santorum The sheer number of candidates who were viewed as legitimate contenders demonstrate the fundamental concern facing Republicans moving forward a fractured party The pro business Tea Party and evangelical Christian wings disagreed in 2010 on who would provide the best alternative to Democratic President Barack Obama and as a result created a crippling nomination period By the time Romney was able to claim victory he was severely wounded after countless attacks from his fellow Republicans To this internal discontent we can also add the changing national demographics that could lead to electoral problems for Republicans in their own right Consider that Mitt Romney did better with older white male voters than John McCain had Unfortunately the share of the national vote for this demographic decreased from 2008 to 2012 As Rand Paul stated recently the time has come for Republicans to reach out to individuals who do not fit the stereotyped Republican image if they have any hope of being successful In this volume we assess how the 2012 GOP nomination cycle is indicative of just how the Republican Party has become in the words of pundit Cuck Warren a Mad Men Party in a Modern Family World [Bibliography on Racism](#) Center for Minority Group Mental Health Programs (U.S.),1972 *The Encyclopedic Digest of Virginia and West Virginia Reports* Thomas Johnson
