SENGUPTA**

The Candle:

The Candle's Cherub CHINTHA NITHISH ,RAVEENA RAVICHANDRAN,AKANKSHA SENGUPTA, The reason behind the publication of this anthology book is to create an act of coercion in order to continue the era in the literary fields Of late the reading and writing journey is becoming exhaustible due to digital scenarios We tried our best to culminate a wide platform for all the writers whether in making or in up taking a ride which is too turgid to coagulate The theme genre and language of the book are kept open to ingrain a sense of complete freedom Thanks to all for the active cooperation and engagement in making this book a success

Cut and Carve Candles Dana Brooks,2004 From tapers with simple twisted ribbons of wax to an elaborate candle shaped like a lighthouse these 20 cut and carve projects have a beautiful look all their own Yet they re simple to make just dip a molded base candle into layers and layers of colored wax then carve twist and curl patterns into the surface Explore the many possibilities by learning all the basic cuts from scrolls and bows to loops and then combining them to create an infinite number of wonderful effects

The Candle's Glory Sylvia Thompson,1953 A Catholic divorcee is aided in her search for happiness by a French priest
