United Utopian States of America Dave Sampson,2006-07-11 The United Utopian States of America is a politically inspired book that points out numerous things that liberals in power are doing to compromise the safety independence and well being of our country It depicts a nation that the liberals are working so hard to achieve It then destroys the concepts and logic the liberals use in an attempt to further their push towards a perfect world The author uses humor sarcasm and more common sense than can be found in the entire Democratic Party to entertain as well as alert Americans of the danger posed by the liberal agenda If America wishes to continue to thrive as a world leader Americans need to become more aware of the things being done internally in our country that jeopardize that possibility By banning drilling on domestic soil liberals insure our dependence on foreign nations By forcing our soldiers to fight sensitive battles liberals deny them the ability to win wars By removing Christianity from all aspects of American society liberals insure eventual chaos and the moral breakdown of our country By excusing bad behavior by pointing to worse behavior liberals prove they are unfit leaders and miserably unable to keep our nation strong respected and admired This book is a great way to look at what the left considers utopia and at the same time shows us exactly why the perfect world will be forever unattainable It also points out how dangerous it would be to allow the left to implement its plan to create an American utopia When a liberal makes demands hes actually selling you something you really dont want When he tells you something its a pretty good bet your getting less than half the truth on any given matter Its not a good idea to trust liberals with the security of our nation and its an even worse idea to ignore their efforts to further their agenda By ignoring their ridiculous claims and ideas weve allowed liberals to get a foothold and with that theyve been able to gain ground In fact if we dont put and end to their foolishness soon this land wont be ours anymore It will be theirs Please enjoy The United Utopian States of America and please be aware of the harm directed at our nation by liberals in the modern Democratic Party Tell your friends and family to vote and to vote Right if you wish to continue enjoying freedom and prosperity here in America Book Review Index ,1984 Every 3rd issue is a quarterly cumulation **The Commonwealth** ,1973
