The Story of ANDALORAX Barbara Linick,2023-06-06 ANDALORAX Author's Note Andalorax is a fantasy novel that explores a society beset by moral and ecological crises The avenues of resolution are paved with magic prophecy heroism and exile innocence and great quests All lead to ultimate justice and natural balance The legends created in Andalorax span more than a millennium the story itself occurs in one climactic generation beginning with the birth of Andalorax Physically and temperamentally different from her people she is by nature an outcast Her childhood is lonely yet magical and eccentric Maturity reveals her destiny as a prime force in the destruction and rebuilding of a Kingdom Andalorax grows into a passionate yet patient woman who has to learn how to accept both the burden and the blessing of her birth The problems faced by the people in Andalorax are meant to be quite contemporary although guised in the fantasy structure The themes attempt to evoke an individual desire for optimism about life towards a faith that tomorrow will not be abused but cherished
