The Longest Dream:

The Wilderness of Dreams Kelly Bulkeley, 1994-02-08 This interdisciplinary study of the religious dimensions of dreams shows how modern dream research supports and enriches our understanding of religiously meaningful dreams The Wilderness of Dreams does four things that no other work on dreams has done First it surveys the whole range of modern dream research not just the work of depth psychologists and neuroscientists but also the findings of anthropologists content analysts cognitive psychologists creative artists and lucid dreaming researchers Second it draws upon new advances in hermeneutic philosophy in order to clarify basic questions about how to interpret dreams Third it develops a careful well grounded notion of religious meaning the root metaphor concept to show that seeking religious meanings in dreams is not mere superstition And fourth the book reflects on the question of why modern Westerners are so interested in affirming or debunking the idea that dreams have religious meanings

Dealing with the Dead Alain Mabanckou, 2025-09-16 From one of Africa's greatest living writers a ghostly reckoning with Congolese history Alain Mabanckou addresses the reader with exuberant inventiveness in novels that are brilliantly imaginative in their forms of storytelling His voice is vividly colloquial mischievous and often outrageous as he explores from multiple angles the country where he grew up drawing on its political conflicts and compromises disappointments and hopes He acts the jester but with serious intent and lacerating effect Man Booker International Prize judges citation One day in the Congolese town of Pointe Noire Liwa Ekimakinga wakes to find himself in a cemetery where three days earlier he had been buried at the age of

twenty two in a pair of flared purple trousers in which he is now trapped forever All around him are the other residents of the cemetery all of whom have their own complex stories of life and death to share Bewildered by his predicament and unwilling to relinquish his tender bond with his devoted grandmother Liwa makes his way back home to see her one last time against all spectral advice As he does disturbing rumors swirl together with Liwa s jumbled memories of his last night on earth leading him to try and solve the mystery of his own untimely demise Sure to appeal to readers of George Saunders s Lincoln in the Bardo Dealing with the Dead is an exuberant phantasmagorical tale of ambition community and forces beyond human control and a scathing satire on corruption and political violence by one of the most recognized chroniclers of modern Central Africa
