The Lord's Return Steven James,2015-05-07 MANY HAVE SPECULATED about the return of the Lord Jesus Christ Few however appear able to properly explain how and when this occurs based on sound interpretive methods Theories on the subject are proliferated far and wide often based upon especially dubious problematic concepts You will likely find this study a refreshing alternative It s believed that this endeavor will be received as a welcome relief from many of the commonly held woefully inadequate eschatological or end times ideologies This work consists of extrapolation and logical progression from those facts with which we are already aware The unvarnished Word of God is paramount to any such undertaking Fundamentally the bulk of this volume is based on corroboration directly from the pages of Scripture And many passages are surprisingly clear about the occurrence This study describes just how everyone will witness this grand event indistinguishably from one another Hopefully the journey will prove rewarding to those who are able to appreciate the central points that are emphasized In this treatise many concepts are explored and an attempt is made to illuminate biblical passages that otherwise appear virtually irreconcilable New light will be shed on the expectancy of the Lord s return one of the dominant themes of the New Testament THIS BOOK CONCERNS YOUR FUTURE Its contents demonstrate that the Second Coming of the Lord is something that everyone throughout history will encounter It should help to satisfy the minds of those interested in their eternal destiny and of those things which must soon take place Revelation 22 6
