## **The Lost Of Wisdom:**

**The Lost Wisdom of Solomon** Shadrach Evans,2015-03-25 Once upon a time there was a wise Israelite who spoke many parables and proverbs and who rode into Jerusalem upon a mule and presented himself as king That man was Solomon son of David who lived nearly a thousand years before Jesus According to the Old Testament King Solomon spoke 3 000 proverbs The Bible contains less than half of this material Herein you will find more of Solomon s proverbs and wise sayings for centuries hidden from the general population Should biblical scholars ever come together over a few stiff drinks they just might agree that the contents of this book may be deemed tantamount to holy scripture Until then it is just an agglomeration of passages that sound dogmatic and may ostensibly be ascribed to one of the wisest figures in human history Let the reader be forewarned Wisdom does not appeal to everyone and seldom is its delivery ingratiating Although eloquent in any language it can reveal the philistine heart that encumbers the soul of even the most virtuous seeker [The Lost Knowledge of Christ](#) Dominic White,2015 Did Christianity once teach secret knowledge Dominic White argues that the early Church in fact taught a wonderful wisdom about the cosmos Christian cosmology offers resources for us to speak to many of the problems questions and issues we face both in the church and in society It does not provide instant answers rather it is in some ways more like the parables of Jesus stories that challenge our view of the world and invite us to reflection and contemplation This lost knowledge sheds new light on many biblical teachings and areas of controversy within Christianity the meaning of repentance the mystery of the cross Jesus ascent through the heavens angels and stars the body and the feminine justice and ecology and liturgy art music and dance The Lost Knowledge of Christ shares the cosmic psychological and artistic focus of today s nonreligious spiritualities and offers some surprising responses Images music and videos that correspond with the chapters can be found at [lostknowledgeofchrist.wordpress.com](#) [The Lost Land of Lemuria](#) Sumathi Ramaswamy,2004-09-27 This is a fascinating study of Lemuria a mythical continent which was once believed to bridge the land masses of India and Africa millennia ago before ultimately sinking into the Indian sea **I Will Give You Rest** Jon C. Laansma,2015-12-17 This is a valuable source book for the idea of rest as it occurs in a wide spectrum of ancient Jewish and Christian literature The author provides a new way of understanding Matt 11 28 30 that challenges most recent scholarship and acts as a guide for application in the church [The Taittirīya-upanishad](#) ,1903 [Hidden Depths: The Kincaid Conspiracy and The Secrets of The Grand Canyon](#) Cassiel E. astrology in the twentieth century was psychological astrology a form principally influenced by the work of the psychologist Carl Gustav Jung Through in depth exploration of the three major astrologers of the period Alan Leo Dane Rudhyar and Liz Greene and their psychological innovations this volume considers whether psychology was used by astrology as a survival strategy to legitimise magic in the modern world and whether the result was an astrology that has lost its magic Chapters consider the survival of magic in the modern world the history of astrology as a psychological subject and astrology s relationship to modernity as well as a fundamental exploration of the nature of astrology Ultimately arguing that the existence of psychological astrology represents a form of living magic this book will be of interest to researchers scholars and postgraduate students studying Jung and analytical psychology magic astrology and alchemy and culture in the twentieth century more broadly Transactions of the 1st, 2nd, 4th-17th congress International congress of medicine,1881
