P. Fullinwider,2017-05-20 Excerpt from The Lucky Bag 1894 One day during last summer s cruise While becalmed in the very middle of the Atlantic Ocean a group of first class middies were whiling away the tedious hours by reciting impromptu poetry on the forecastle of the good ship Con stellation some unusually brilliant effort elicited the remark that talent like that should not be doomed to bloom unseen A resolution to publish a little volume into which such bursts of genius might be gathered was the result of the conversation which followed and a committee was chosen to bring the vol ume into being The gifted poets promised reams of rhyme which would bring fame and fortune to our glorious class but strange to sav these poets have not been heard from since though the poor stranded committee have sent prayers and entreaties throughout the land and have offered large rewards for anyone caught Spooning on the Muse In desperation they

at last decided to convert the book into an Academy Annual similar to the annuals published at all other large colleges and the Lucky Bag is the result That we have not done our work well we do not need to be told not even after considering the many obstacles which have had to be surmounted But if the senior classes which succeed us will take up the work where we have left it profiting by our errors and improving each subsequent volume until the Lucky Bag becomes an annual of which the Naval Academy may feel proud then and not until then we shall feel repaid for the efforts which it has cost us to set the ball rolling We beg to explain to the uninitiated that among seafaring folk a lucky bag is the receptacle into which Jimmy Legs gathers the odds and ends left adrift about the decks The miscellaneous character of the contents of this volume suggested the name About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Lucky Bag, 1904, Vol. 11 (Classic Reprint)* B. K. Johnson, 2017-10-21 Excerpt from The Lucky Bag 1904 Vol 11 The luckybag is the chief claim of the Class of 1904 to future remembrance Beyond a doubt its individual members will all win glory and fame for themselves in the days to come but this book must be the monument to mark 1904's place as a class in the scenes whence it has departed In these pages we have tried to recall the brighter side of our Academy life Troubles we have had but most of them will soon be over and they are better forgotten while the joys should live in our memories so that when we turn these pages in the future our happiest and best days will be recalled and we may look back to our Alma Mater with a feeling of love and regret for the days that are gone We have done our best to make this book a credit to the class and present it to the public with the hope that they may grant that we have done so If it fails to meet your approval remember that we have tried and spent no little labor in its preparation and give us the charity of silence If you think it is what it should be tell us so and your words will go far to repay us for the time and energy we have expended and the difficulties we have had to overcome May the lucky bag cement the bonds of friendship that we have formed in three years and a half of close companionship and be an enduring memento of our days together with all their joys and troubles their successes and failures and above all the friends closer than a brother that they have brought us About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
