**Digital Nomads. How the era of digitalization creates alternative lifestyles** Lisa-Marie Wagner,2020-06-18

Bachelor Thesis from the year 2020 in the subject Business economics Business Management Corporate Governance grade 1  
6 language English abstract In this paper the phenomenon of digital nomadism in permanent employment is presented In general digital nomads are characterized by their independence of location their employment in the digital space and common values Most of them are freelancers and entrepreneurs but also employees who are part of this movement want to leave the conservative concept of normal employment and break new ground First the changes in the business world and the emergence of digital nomadism were presented in this paper Due to a lack of literature guideline based expert interviews were conducted to gain insight into the opportunities and risks of the multi local lifestyle concept for employees and companies In addition the framework conditions for companies and digital nomads required by this work and life concept were examined and presented in detail Such a framework condition can mean for example the adaptation of processes and leadership There are also differences between completely remote companies and only partially remote companies which can lead to a split company structure In this context the similarities and differences between traditional telework and digital nomadism in permanent employment were also examined These are similar for example regarding the technical prerequisites that should be created in companies and the changed communication In addition there are challenges and opportunities that arise from the travel component and the nature of digital nomadism such as negatively impaired processes due to time differences or certain characteristics and experiences that digital nomads possess or experience that can be used positively in a professional context Thus this work not only serves a scientific purpose but also provides a practical framework for employing digital nomads in traditional companies

**The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships** Susan McPherson,2021-03-23 Named a Best Business Book of 2021 by Soundview Magazine Reclaim the power of genuine human connection Networking is often considered a necessary evil for all working professionals With social media platforms like LinkedIn Twitter Instagram and Facebook at our disposal reaching potential investors or employers is much easier Yet these connections often feel transactional agenda driven and dehumanizing leaving professionals feeling burnt out and stressed out Instead we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea To build real and meaningful networking contacts we need to go back to basics remembering that technology is a tool and more than just a means to an end We need to tap into our humanity and learn to be more intentional and authentic As a serial connector and communications expert Susan McPherson has a lifetime of experience building genuine connections in and out of work Her methodology is broken down into three simple steps Gather Instead of waiting for the perfect networking opportunity to

come to you think outside the box and create your own opportunity Host your own dinner party join a local meet up group or volunteer at your neighborhood food pantry Ask Instead of leading with our own rehearsed elevator pitches asking for help ask to help opening the door to share resources experience contacts and perspectives that add diversity to your own vision Do Turn new connections into meaningful relationships by taking these newly formed relationships deeper Follow through on the promises you made and keep in touch Woven together with helpful tips and useful advice on making the most out of every step this book draws on McPherson's own experience as a renowned serial connector as well as the real life success stories of friends and clients Filled with humor humility and wisdom The Lost Art of Connecting is the handbook we all need to foster personal and professional relationships that blur the lines between work and play and enrich our lives in every way Big in Sweden Sally Franson, 2024-07-02 Sally Franson is a world class entertainer She can finesse a serio comic moment in a way that leaves you catching your breath Deft and delicious this book is a flat out delight machine A heart opener a page turner and a true originell I laughed out loud I ugly cried and I never ever wanted it to end Meg Ryan actor writer director A charming wise and laugh out loud funny novel following an American woman competing on a Swedish reality show in an attempt to discover her roots Paulie Johansson has never put much stock in the idea of family she has her long term boyfriend Declan and beloved best friend Gemma and that's more than enough for her Yet one night on a lark she lets Gemma convince her to audition for Sverige och Mig a show on Swedish television where Swedish Americans compete to win the ultimate prize a reunion with their Swedish relatives Much to her shock her drunken submission video wins her a spot on the show and against Declan's advice Paulie decides to go for it Armed with her Polaroid camera a beat up copy of Pippi Longstocking and an unquenchable sense of possibility Paulie hops on a plane to Sweden and launches into the contest with seven other Americans all under the watchful eye of a camera crew At first Paulie is certain that she and her competitors have nothing in common besides their passports and views their bloodthirsty ambitions with suspicion Yet amid the increasingly absurd challenges rowing from Denmark to Sweden in the freezing rain battling through obstacle courses competing in a pickled herring eating contest Paulie finds herself rethinking her snap judgments about her fellow countrymen while her growing attachment to her Swedish roots increases her resolve to win the competition herself Grappling with long held notions of family friendship and love not to mention her feelings for the distractingly handsome Swedish cameraman who's been assigned to follow her around Paulie starts to reconsider her past and rethink what she wants for the future A fish out of water tale filled with warmth optimism and wit Big in Sweden is at its heart a love story love for family friends country and most importantly oneself If you devoured Pippi Longstocking as a kid you will not be able to turn away from Big in Sweden Reading this hilarious heartfelt book was even more fun than watching reality television I absolutely loved it Jessica Anya Blau author of Mary Jane **Launch Your Inner Entrepreneur: 10 Mindset Shifts for Women to Take Action, Unleash Creativity, and Achieve Financial Success** Charlene Walters, 2021-02-23 Practical
