**The Best Part of Prison** Jesse Crosson, 2026-03-10 An unvarnished deeply human account of one man's time in prison and his unexpected journey to healing accountability transformation and redemption At 18 Jesse Crosson was considered a lost cause Strung out on drugs he committed a robbery and later a nonfatal shooting For those choices he was sentenced to 32 years nearly twice as long as the maximum recommended by sentencing guidelines No one expected his story to end well But for Jesse prison was not the end It became the beginning of a long path toward redemption In The Best Part of Prison Jesse reveals how a system meant to rehabilitate so often alienates and destroys describing both the daily brutality of incarceration and the added cruelty of surviving the

COVID 19 pandemic behind bars Across four prisons shoulder to shoulder with people convicted of every imaginable crime Jesse anticipated only the worst Instead he discovered teachers friends trauma survivors striving to heal victims seeking repair and even hardened lifers who became unlikely mentors Within that crucible he confronted what it means to cause harm to make amends and to rediscover humanity Now a pardoned advocate for criminal justice reform and the founder of the Second Chancer Foundation Jesse shares a story that exposes the inequity of today s justice system champions rehabilitation and restorative justice and demonstrates the redemptive power of accountability education and human connection Electric and deeply felt from the slam of a cell door to the awe of seeing the night sky after 19 years The Best Part of Prison reminds us that second chances are always possible and that none of us are defined solely by our worst moments
