Each column contains several task cards with titles, descriptions, and due dates. For example, in the 'To Do' column, there are tasks like 'Review the design' and 'Finalize the content'. The 'In Progress' column has tasks such as 'Develop the front-end' and 'Test the application'. The 'Done' column shows completed tasks like 'Deploy the application' and 'Gather user feedback'. The 'Waiting list' column contains tasks that are not yet started, such as 'Implement advanced search' and 'Optimize the database'. A smartphone is overlaid in the foreground, showing the mobile app interface, which mirrors the web version's Kanban board layout. The app interface includes a top navigation bar with a 'Home' button and a user profile icon, and a bottom navigation bar with icons for Home, Search, Add, and Settings.
