Lamar and Marcus aren't like the usual run of the mill gangsters she's used to. As she becomes more engrossed in their lives she begins to wonder if they're getting outside help. They've split their empire into multiple gangs with no true center that she can pinpoint. In addition they've built several businesses of their own to launder their money. Brooke can't help but think that there's another higher power at work with the isolation they've created. Unbeknownst to her Captain Bolt and the team supporting her are also finding strange activity within the police ranks in Brooklyn. Does Brooke manage to use her newfound position at Brooklyn Heights to uncover more of Lamar and Marcus' thuggish empire or is she headed for a trap created by the very police she works for? Brooklyn Fights Brooke's cover has been blown and all her investigative work has gone straight to hell. She has nowhere to go as her own undercover team has been arrested by a corrupt deputy colonel. With only a soon to be discovered safehouse left Brooke has her back against the wall. Her only option left is to fight back with whatever she has left. She knows she won't be able to take on the gang she was investigating but she can bring down the cop that put her and her team in this position. But the only way to get to him is to first figure out what his connection is with the lawyer that blew her cover.
