OMG Why Is My Body Changing So Much? Greg Noland, 2015-07-02 *OMG Why is My Body Changing So Much A Female Teen's Guide to Surviving Puberty* is the 2nd book in the *OMG Teen Book Series*. This book will give you all the information you will need about the changes going on with your body which you may be desperately looking for. I know when I was a teenager there was so much I wanted to know about my body but I couldn't find the answers for. This is why the actionable tips and advice in this teen book are guaranteed to help you discover how to make the most of your teenage years and reduce the pain, loneliness, confusion, and sadness which can often come when trying to cope with the changes going on with your body during your teenage years. Be it understanding why you can seem moody for no reason, why you are having frequent problems with your best friends, all of a sudden confusion about your hygiene, or problems with your breast development, it is all here in this clear, practical, and useful guide for surviving puberty. Your body is changing fast and this can lead to uncertainty, awkwardness, and fear. Coping with hormonal, physical changes and getting used to your new body can be daunting. How do you deal with menstruation, hygiene, and not forgetting acne? You need and deserve the power to be confident with the changes going on with your new body, which is why we wrote this book for you. With the information contained in this book, you can be sure that you can benefit from all the problems and mistakes other people made so you don't have to. This *Teen Guide for Surviving Puberty* is here to be by your side to be your handy guide whenever you need advice, help, or guidance.
