*Money for Teens* Tim Wuebker, 2019-07-19. This book grew out of teaching a personal finance class. Every week I asked teens what they wanted to learn. After they told me, I worked as hard as I could to acquire the best advice available. I interviewed everyone from self-made millionaires to happy couples. I scheduled over 60 guest speakers on every money and relationship topic imaginable. I read, researched, and experimented. And then I asked the teens again, and again. With over 100 bite-size chapters and exercises, *Money for Teens* discusses everything we could think of, including budgeting, investing, starting a business, negotiating college without debt, getting hired, how your relationships and the rest of your life tie into your money, and much more. Investing with index funds, which beat 99% of everything else that's out there if you're looking at a 15-year time frame. Relationships and money: how to make an A in both. Why almost all debt is bad. 20 ways you can be like the 37% of college students who graduate without debt. The best decision-making model: The F I Financial Independence and F I R E Financial Independence. Retire Early, move, get hired, get promoted, get a career, get a personal mission, cars, credit cards, debt vs. early investing, the best way to shop, exercises for budget crises, jobs vs. careers vs. personal missions, who makes more givers or takers, if you get rich and have kids, how to not raise a brat, how millionaires raise responsible, not entitled kids, why do happy people make more money than unhappy people, why do honest people usually make more money than dishonest people, pitfalls of life like addictions and how they destroy your money, gratitude's surprising benefits, how to make the emotional side of money and happiness work for you, ways to avoid impulse spending without having to rely on self-discipline, time management for scholarships, side hustles, and other big projects, time management: three excellent methods. Warning: While the book has 80 chapters on personal finance and 19 exercises designed to help you budget, invest, buy cars, houses, and/or start a business this week, *Money for Teens* is also infused with Judeo-Christian values. Indeed, Chapter Two is entitled "God and money, because I believe God is more
