The American Worker:

The Big Squeeze Steven Greenhouse, 2008-04-15 Why in the world's most affluent nation are so many corporations squeezing their employees dry In this fresh carefully researched book New York Times reporter Steven Greenhouse explores the economic political and social trends that are transforming America's workplaces including the decline of the social contract that created the world's largest middle class and guaranteed job security and good pensions We meet all kinds of workers white collar and blue collar high tech and low tech middle class and low income as we see shocking examples of injustice including employees who are locked in during a hurricane or fired after suffering debilitating on the job injuries With pragmatic recommendations on what government business and labor should do to alleviate the economic crunch **The Big Squeeze** is a balanced consistently revealing look at a major American crisis

Imports, Exports, and the American Worker Susan M. Collins, 2010-12-01 Will technological improvement and growth in the rest of the world cause a decline in American living standards Can government policy in Japan and Western Europe limit the availability of high wage jobs in America Does expanding trade with Mexico and other developing countries with large numbers of inexpensive workers imply a continuing decline in wages for low skilled American workers These questions express a widespread concern about potential negative effects of import competition on domestic labor markets but ignore potential gains to U S workers from exports abroad Through U S exports the rest of the world is an increasingly large indirect employer of U S workers and through imports foreign labor is an increasingly important potential substitute for U S workers Bringing together the often diverse perspectives of international economists labor economists and policymakers this volume analyzes how international trade affects the level and distribution of wages and employment in the United States examines the need for government intervention and evaluates policy options In addition to the editor the contributors are Jagdish Bhagwati Columbia University and American Enterprise Institute J Bradford De Long U S Department of the Treasury and University of California Berkeley I M Destler University of Maryland and Institute for International Economics Richard B Freeman Harvard University and London School of Economics Louis Jacobson WESTAT Lori G Kletzer University of California Santa Cruz Edward Leamer University of California Los Angeles Michael Piore Massachusetts Institute of Technology Ana Revenga and Claudio Montenegro The World Bank Jeffrey D Sachs and Howard Shatz Harvard University [Trade, Foreign Policy and the American Worker](#) United States.
