While traveling to a wedding, a young man is pulled into the eventful narrative of the Ancient Mariner, who is compelled to share his story. It's a miraculous tale about guilt, humanity, and one's capacity to change. The Ancient Mariner notices a young man traveling to a nearby wedding. He abruptly interrupts his journey and starts sharing a story about his time at sea. He details its humble beginnings and the tumultuous events that followed. As the young man listens, he's taken aback by the story and the man's fight for survival. The Ancient Mariner faced hunger, thirst, and eventually death before making a realization that would change the course of his life forever.

Rime of the Ancient Mariner is one of Samuel Taylor Coleridge's most famous works. Initially published in 1798, it's had a lasting impact on literature and pop culture, including music and film. It's a brilliant tale of morality that examines a character's actions and the inevitable consequences. With an eye-catching new cover and professionally typeset manuscript, this edition of Rime of the Ancient Mariner is both modern and readable.

As The Ancient Mariner because of the difficulties it presents may be taken up to advantage toward the end of the pupil's preparation of the English reading required for admission to college, this edition of the poem is designed especially for the use of more advanced students. Assuming on the part of the pupil some knowledge of many of the texts assigned, the Introduction is intended not only to prepare the student to understand the poem itself but also to point the way to a comprehensive study of literature in its larger significance, and it attempts accordingly by the use of the historical method to set The Ancient Mariner in its right relations with reference both to Coleridge and to its place in English literature. By thus presenting the poem in its wider bearings, the book aims to suggest certain fundamental principles of literary investigation and by bringing the student to a true conception of what literature is to stimulate an interest in further study.
