**The American Perception of Class** Reeve Vanneman, Lynn Weber Cannon, 1987 *Handbook of Employment Discrimination Research* Laura Beth Nielsen, Robert L. Nelson, 2006-01-01 There is much to understand about employment discrimination law as a social system What drives the growing trend toward litigation To what extent does discrimination persist and why does it vary by organizational and market context How do different groups perceive discrimination and what if anything do they do about it How do employers respond to discrimination law What is the effect of broader political and legal currents What is the relationship between anti discrimination law and social inequality This book presents answers from a distinguished group of scholars and social scientists offering a broad reconsideration of employment discrimination and its treatment in law

**Raising the Race** Riché J. Daniel Barnes, 2015-12-01 Winner of the 2017 Race Gender and Class Section Book Award from the American Sociological Association Popular discussions of professional women often dwell on the conflicts faced by the woman who attempts to have it all raising children while climbing up the corporate ladder Yet for all the articles and books written on this subject there has been little work that focuses on the experience of African American professional women or asks how their perspectives on work family balance might be unique Raising the Race is the first scholarly book to examine how black married career women juggle their relationships with their extended and nuclear families the expectations of the black community and their desires to raise healthy independent children Drawing from extensive interviews with twenty three Atlanta based professional women who left or modified careers as attorneys physicians executives and administrators anthropologist Rich J Daniel Barnes found that their decisions were deeply rooted in an awareness of black women s historical struggles Departing from the possessive individualistic discourse of having it all the women profiled here think beyond their own situation considering ways their decisions might help the entire black community Giving a voice to women whose perspectives have been underrepresented in debates about work family balance Barnes s profiles enable us to perceive these women as fully fledged individuals each with her own concerns and priorities Yet Barnes is also able to locate many common themes from these black women s experiences and uses them to propose policy initiatives that would improve the work and family lives of all Americans *Work Related Abstracts* ,1988

**Steelworker Alley** Robert Bruno, 1999 The son of a Youngstown steelworker Bruno returned to his hometown seeking to understand the formation of his own working class consciousness and the place of labor in the larger capitalist society Drawing on interviews with dozens of former steelworkers and on research in local archives Bruno explores the culture of the community including such subjects as relations among coworkers class antagonism and attitudes toward authority He describes how because workers are often neighbors the workplace takes on a feeling of neighborhood He also demonstrates that to understand class consciousness one must look beyond the workplace in this instance from Youngstown s front porches to its bowling alleys and voting booths *Subject Guide to Books in Print* ,1993 **Working Class Stratification and the**

**Demand for Unions in the United States** Hyunhee Kim,2021-12-12 First published in 1997 the U S labor movement has suffered from membership decline during the post World War era Between 1945 and 1994 the percentage of unionized workers in the non agricultural labor force has steadily declined from 35 5% to 15 5% U S Bureau of Labor Statistics 1995 The size of the labor movement is critical to an understanding of the role in society of collective bargaining This study investigates how socioeconomic status divisions within the working class affect worker dispositions to unionize
