3. The Developer hereby agrees to the following: (a) design, plan, engineer, and construct all sewer, water, parks, and fire service improvements (the "Improvements") required to serve the Project at Developer's sole cost and expense pursuant to plans and specifications approved by District; and (b) pay certain water and sewer connection fees, standby charges and other fees and assessments pursuant to District's policies; and (c) dedicate to District certain real property to serve as a location for fire and park service facilities to serve the Project; and (d) dedicate certain real property to serve as a location for specified water and sewer infrastructure to serve the Project; and (e) reimburse District for its administrative, legal, engineering and environmental consulting costs and expenses incurred in reviewing Developer's application for water, sewer, fire suppression and park and recreation services, negotiating, drafting and implementing this Development Agreement, reviewing the engineering analyses and the plans and specifications for the Improvements, and inspecting construction of the Improvements prior to acceptance by the District. Developer agrees to contribute to the costs of such water, wastewater, sewer, parks and recreation, and fire suppression facilities and services as required herein to mitigate impacts upon the community of the development of the Project. For the purposes of this Agreement, "construction" shall mean the actual building, testing, permitting or certifying, and District acceptance of facilities provided by Developer. Upon payment of all such costs and reimbursement to District of its administrative, legal, engineering and environmental review costs and expenses, District agrees to provide such water, wastewater, sewer, parks and recreation, and fire suppression facilities and services as required herein to assure that Developer may proceed with complete development of the Project in accordance with the terms of this Agreement and Developer's Tentative Map, including the County's Conditions of Approval of such Tentative Map.
