The Apocalypse Of Saint John:

The Apocalypse of Saint John Emil Bock,1986 Bock interprets John s rich pictorial language often found harsh and mysterious and we understand that John is dealing with the universal problems of spiritual development This is not just a detailed commentary on the Apocalypse It is a profound and encouraging examination of human needs in today s world and shows how we can read Revelation to understand Christ s position as leader through danger in the present and the future

Sylvester Berry,2016-12-07 The Book of Revelation often called the Apocalypse of St John is one of the central texts of the New Testament Yet despite its importance it is frequently the most misunderstood work in the entire Bible St Jerome tells us that The Apocalypse has as many mysteries as words or rather mysteries in every word Reverend Elwood Sylvester Berry here explains in a simple scholarly way each section of St John s work to help us view this essential text with pleasure and understanding Dividing the Book into three parts Berry helps the reader comprehend the meaning of St John s words and places them within the fascinating context of the time that they were written Part I covers from the days of St John to the opening of the abyss Part II from the opening of the abyss to its closing and Part III covers from the closing of the abyss to the end of the world As Revelation 1 3 states Blessed is he that readeth and heareth the words of this prophecy and keepeth those things which are written in it Berry s fascinating work should aid any reader wishing to truly hear and understand the words of this prophecy Reverend Elwood Sylvester Berry was professor at Mount St Mary s Seminary in Maryland He wrote a number of commentaries on the Bible The Apocalypse of St John published in 1921 was one of his first He died in 1954 **The**

Apocalypse of Saint John Sylvester Berry, 2017-04-18 The book of Revelation written by Saint John has been for many years misinterpreted and has been cause for many myths fictions and legends In this work by Father Sylvester Berry he explained it as it should be as the Revelation of Jesus Christ He is the center of the book according to the Covenant The book of the Apocalypse or Revelation is a prophetic book but first it should be understand what a prophecy is It is a message of God to his people not to predict destruction necessarily is to announce possible consequences if the Covenant with God is broken John wrote this book during the great persecutions to the church by the Imperial Rome for the Christians were not worshiping Cesar but God John consoled and encouraged them in a symbolic language that was common for their time Father Sylvester explains all of Saint John s visions and the symbology in them without sensationalism but based on scripture and inside the covenant with God In Father Berry words These revelations also predict the great persecution of Antichrist whose near approach is foreshadowed by many signs yet we know that the Church will at length triumph over the powers of hell and reign peacefully over all nations This is a book of hope also easy to read for the souls that want to know about the Truth of this final book of the bible and the Final Judgement **The Apocalypse** ,1982 *The Apocalypse of St. John* Rev. E. Berry, 2015-07-04 The Apocalypse of St John is an analysis of the apocalypse by theologian E Sylvester Berry **The Apocalypse of St. John** Henry Barclay Swete, 1999-02-17 Excerpt from The Apocalypse of St John The Greek Text With Introduction Notes and Indices The publication in the present year of Dr Hort s lecture notes upon the Apocalypse has rendered necessary a few additions both to the introduction and to the notes Of this volume Until my first edition had been published I was not aware that Dr Hort had lectured upon the subject and the announcement that his notes were being prepared for the press came as a further and welcome surprise Their value has been justly estimated by Dr Sanday in his preface to the work and I need only add the hope that all readers of the present book may be able to consult Dr Hort s fresh and suggestive pages In regard to the unity Of the Apocalypse I am rejoiced to find that I have the support of his great authority On the other hand he inclines decidedly to the earlier date and upon some important points Of exegesis his conclusions differ from those to which I had come To the latter it has been impossible to do more than refer upon the date of the book I have added a postscript to the chapter of my introduction which deals with that question briefly stating the grounds upon which I am unable to abandon the traditional view Besides these additions a few corrections supplied by reviews or received from private friends have been made in this edition and the pagination has undergone some necessary changes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
