opera performers Expecting that this symbolically important art would strengthen regime legitimacy and authority they generously supported Peking opera s perpetuation in exile Valuing mainland Chinese culture above Taiwanese culture the Nationalists generously supported Peking opera to the virtual exclusion of local performing traditions despite their wider popularity Later as Taiwan turned toward democracy the island s own indigenous products became more highly valued and Peking opera found itself on a tenuous footing Finally in 1995 all of its opera troupes and schools formerly supported by the Ministry of Defense were dismantled Translations on People's Republic of China ,1967 People's China ,1953
