D. Miera Martinez, 2011-12-22 Life brings its share of problems and needs There are times when the church looks upon its leaders as if they have no problems but leaders are far from exempt from difficulties Author J D Miera Martinez has written Through It All to offer his thoughts on ministering to leaders and pastors Some of the problems leaders face will cause them to analyze and reevaluate their spiritual callings Only those leaders truly called to this spiritual life will endure this process of reevaluation to become Gods vessels On a deeper level Martinez wonders why bad things sometimes happen to good people There are people who are good and have a stronger spiritual life but are plagued with bad things death diseases and misfortune that have become part of their everyday lives Martinez examines his own life in Through It All as he searches for its spiritual meaning He has come to the conclusion that the Scripture In the world you will have tribulations but be of good cheer I have overcome the world directs his life and has helped him to build the life that he was meant to live serving God and bringing the word and love of God to those around him **Through It All** Marilyn Whitlock Hockersmith, 2022-12-29 This book is meant to paint a picture to my grandchildren nieces nephews cousins extended families friends and loved ones to be attentive to your children It was not in the closet nor was it a dream He was an unwelcome visitor that followed me no matter where we moved to He would always seek me out after everyone went to bed It seemed like no one could ever see what was going on when he was around I developed a hatred disposition that was visible I hated each episode I just wanted to be left alone He would always find his way to me All I wanted was to be free and live childhood and a teenage life It continued until age fifteen I prayed that he would disappear and one day he did I ve been teaching preaching singing the gospel for over forty years I recognize that nothing is more important to me than living a life for God and being an example for Him Through it all God kept me and God equipped me with a spirit of discernment in this particular area When I see it hovering over young males or young females I am now able to intercede on their behalf The lifestyle I had before Christ had no character At that stage of my life character did not count I ve been told a lot of things by people who are gone on to be with the Lord So many people have helped me in dire straits throughout my life Through it all I thank God for introducing me to those who have

helped Some have gone on to be with the Lord Some are still here to encourage me to persevere all for Christ Jesus and kingdom building I m grateful for those of you I believe that God wants us to live and enjoy life abundantly I believe in having godly character because character does count Abuse whether verbal mental physical psychological actions or threats financial bullying manipulation humiliation injury or pornographic is catastrophic and detrimental to one s life and future
