Thucydides Narrative And Explanation

Thucydides, Francis Henry Colson

Thucydides Narrative And Explanation:

Thucydides : Narrative and Explanation Tim Rood,2004-08-05 War is a harsh teacher wrote Thucydides in the fifth century BC Rood analyses the techniques through which Thucydides narrative explains the origin and course of the Peloponnesian War and exposes harsh truths about how individuals and states behave Rood concentrates on how the use of techniques such as selectivity interaction of speech and narrative and manipulation of time and perspective points at one level to general human constraints at another to the self destructiveness of Athens imperial power The book explores some techniques that have received little attention and offers new ways of reading others it gives new insight into Thucydides sophistication and the way he relates to his predecessors It is also important for its attempts to refute views that Thucydides History is made up of different compositional strata or inspired by pro Athenian bias And it addresses directly the way modern historians use Thucydides contributes to the contemporary debate over narrative history and shows the value of applying some of the concepts of recent narrative theory to historical texts

An Analysis of Thucydides's History of the Peloponnesian War Mark Fisher,2017-07-05 Few works can claim to form the foundation stones of one entire academic discipline let alone two but Thucydides s celebrated History of the Peloponnesian War is not only one of the first great works of history but also the departure point from which the modern discipline of international relations has been built This is the case largely because the author is a master of analysis setting out with the aim of giving a clear well reasoned account of one of the seminal events of the age a war that resulted in the collapse of Athenian power and the rise of Sparta Thucydides took care to build a single beautifully structured argument that was faithful to chronology and took remarkably few liberties with the source materials He avoided the sort of assumptions that make earlier works frustrating for modern scholars for example seeking reasons for outcomes that were rooted in human actions and agency not in the will of the gods And he was careful to explain where he had obtained much of his information As a work of structure and as a work of reasoning The History of the Peloponnesian War continues to inspire be read and be taught more than 2 000 years after it was written

Analysing Historical Narratives Stefan Berger,Nicola Brauch,Chris Lorenz,2021-05-14 For all of the recent debates over the methods and theoretical underpinnings of the historical profession scholars and laypeople alike still frequently think of history in terms of storytelling Accordingly historians and theorists have devoted much attention to how historical narratives work illuminating the ways they can bind together events shape an argument and lend support to ideology From ancient Greece to modern day bestsellers the studies gathered here offer a wide ranging analysis of the textual strategies used by historians They show how in spite of the pursuit of truth and objectivity the ways in which historians tell their stories are inevitably conditioned by their discursive contexts

Rhetorical Adaptation in the Greek Historians, Josephus, and Acts vol.I John M. Duncan,2022-10-24 Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of

attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke s distinctive depiction of the apostles as adaptable yet frequently alienating orators This is volume I of a set of two volumes The ^AOxford Handbook of Thucydides Ryan Balot,Sarah Forsdyke,Edith Foster,2017-02-10 Divided into four sections History Historiography Political Theory and Context and Reception The Oxford Handbook of Thucydides provides a comprehensive introduction to Thucydides ideas and their ancient influence It bridges traditionally divided disciplines and offers both solid explanation and innovative approaches **Thucydides' War Narrative** Carolyn Dewald,2005 Carolyn Dewald presents an in depth study of the changing narrative principles in Thucydides History of the Peloponnesian War rigorously analysing how the various elements are structured used and related to each other **War, Democracy and Culture in Classical Athens** David Pritchard,2010-12-23 Analyses how the democracy of the classical Athenians revolutionized military practices and underwrote their unprecedented commitment to war making **Literary Construction of Identity in the Ancient World** Hanna Liss,Manfred Oeming,2010-06-30 Encountering an ancient text not only as a historical source but also as a literary artifact entails an important paradigm shift which in recent years has taken place in classical and Oriental philology Biblical scholars Egyptologists and classical philologists have been pioneers in supplementing traditional historical critical exegesis with more literary approaches This has led to a wealth of new insights While the methodological consequences of this shift have been discussed within each discipline until recently there has not been an attempt to discuss its validity and methodology on an interdisciplinary level In 2006 the Faculty of Bible and Biblical Interpretation at the Hochschule f r J dische Studien Heidelberg and the Faculty of Theology at the University of Heidelberg invited scholars from the U S Canada the Netherlands Israel and Germany to examine these issues Under the title Literary Fiction and the Construction of Identity in Ancient Literatures Options and Limits of Modern Literary Approaches in the Exegesis of Ancient Texts experts in Egyptology classical philology ancient Near Eastern studies biblical studies Jewish studies literary studies and comparative religion came together to present current research and debate open questions At this conference each representative from a total of 23 different disciplines dealt with literary theory in regard to his or her area of research The present volume organizes 17 of the resulting essays along 5 thematic lines that show how similar issues are dealt with in different disciplines 1 Thinking of Ancient Texts as Literature 2 The Identity of Authors and Readers 3 Fiction and Fact 4 Rereading Biblical Poetry and 5 Modeling the Future by Reconstructing the Past Reading Thucydides James V. Morrison,2006 **The Historical Present in Thucydides: Semantics and Narrative Function** Jean Lallot,Albert Rijksbaron,Bernard Jacquinod,Michel Buijs,2011-03-21 After Etudes sur l aspect verbal chez Platon Saint Etienne 2000 the international Groupe

de recherche sur l'aspect verbal en grec now presents a second volume on verbal aspect in Ancient Greek which is devoted to the functions of the Historical Present in Thucydides In nine chapters the authors approach this subject from a variety of angles focusing inter alia on the HP of particular verbs and on its use in battle narratives or investigate Thucydides use of the HP from a comparative perspective They share one important assumption viz that the primary function of the HP is to mark events that were according to Thucydides of decisive importance for the development of the Peloponnesian War By its rich and detailed analyses the book provides important new insights into Thucydides narrative technique

Stories from Thucydides Thucydides,2022-08-15 *Thucydides Stories from Thucydides* presents a compelling narrative interwoven with political philosophy and historical analysis focusing on the Peloponnesian War Thucydides adopts a rigorous analytical style that shuns mythological embellishments aiming instead for an empirical account rooted in facts and eyewitness testimonies The work stands as a cornerstone of historical writing emphasizing the complexities of human nature the causes of conflict and the precarious balance of power Through the lens of the war between Athens and Sparta Thucydides explores themes such as ambition morality and the brutal realities of military engagement offering a profound commentary on the cyclical nature of history and human folly Thucydides an Athenian historian and general is often hailed as the father of scientific history for his critical approach to the past His firsthand experiences in the war instilled in him a unique perspective that motivated him to document its events with unprecedented accuracy and depth Living through a transformative era steeped in political turmoil and philosophical inquiry Thucydides grounding in the classical Greek tradition informs his focus on rational thought and ethics amidst chaos This book is a must read for historians political scientists and anyone intrigued by the intricate dynamics of power and conflict *Stories from Thucydides* not only enriches our understanding of ancient Greece but also offers timeless insights into the nature of human behavior and the perpetual struggle for dominance in international relations making it a relevant read for contemporary audiences In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different works strengths Reflection questions inspire deeper contemplation of the authors overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collections central themes

The History of the Peloponnesian War Thucydides,2025-09-30 A definitive and refreshingly readable new translation of Thucydides s History of the Peloponnesian

War paired with a brilliant introduction on how to read and understand Thucydides Thucydides called his work a possession for all time and his History of the Peloponnesian War has been essential reading for generals and politicians for centuries Robin Waterfield s translation of Thucydides s sweeping narrative vividly depicts the events of the war between Athens and Sparta that began in 431 BCE and would continue until 404 a conflict that embroiled not only mainland Greece but Greek states from the eastern Mediterranean and as far west as Italy and Sicily The only extant contemporary narrative of this conflict Thucydides s History brims with military moral and political reflections offering critical commentary on challenges that still dominate our world today from the strife of civil war to the devastation of widespread plague to the nature of political power Thucydides died before completing the account it ends in 410 but his legacy is timeless One of the great masterpieces of classical Greece The History of the Peloponnesian War offers an incisive and timely window into the conflicts of the past

Fear in Democracy: A Study of Thucydides' Political Thought Brian E. Calabrese,2008 **Thucydidean Explanations** Sarah Marie Bolmarcich,2005 **The Classical Review** ,1926 **Thucydides' War** Neil Morpeth,2006

Xenophon. Hellenica, books i,ii, with intr. and notes by G.E. Underhill Xenophon (of Athens.),1888 **The Nation** ,1882

[The Rise of the Athenian Empire](#) Thucydides,Francis Henry Colson,2023-07-18 This new translation and commentary on Thucydides s History of the Peloponnesian War provides readers with a fresh perspective on the rise of Athens to dominance in the ancient Greek world Colson s insightful analysis of Thucydides s narrative sheds new light on the political and military strategies employed by the Athenians in their quest for empire This edition includes a new introduction by a leading classicist This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Encyclopaedia Britannica** ,1929

Right here, we have countless book **Thucydides Narrative And Explanation** and collections to check out. We additionally pay for variant types and along with type of the books to browse. The enjoyable book, fiction, history, novel, scientific research, as capably as various new sorts of books are readily easily reached here.

As this Thucydides Narrative And Explanation, it ends taking place monster one of the favored ebook Thucydides Narrative And Explanation collections that we have. This is why you remain in the best website to see the incredible book to have.
