Sicilian Tragedee Ottavio Cappellani,2009-11-24 Balding forty something Mister Alfio Turrisi an up and coming mafioso in Catania has the deep pockets that London s financial world loves He in turn loves Betty the spoiled young daughter of Turi Pirrotta a rival Catanian mobster Alfio and Betty would seem to be the Romeo and Juliet of this poison pen valentine to Ottavio Cappellani s native Sicily That is until we meet another pair of star crossed lovers gay theater director Tino Cagnotto and his bored and sexy young amore Bobo Because the way Tino sees it the real heat in Shakespeare s tragedy is between Romeo and Mercutio not Romeo and Juliet Set in a twenty first century Sicily rife with moody aristocrats vain politicians inept gangsters shabby theater actors and high tech killers Cappellani s hilarious second novel part Tarantino style operetta part soap opera is also a surprising tribute to the Bard **The Nation** ,1928 *Light* ,1926 **The Searchlight** ,1919

the Marne but also St Mihiel Cantigny Reims Soissons and other engagements detailing the key contributions of this coalition to the final defeat of Imperial Germany Throughout the book he also demonstrates that there was a mutual bond of affection not only between French and American soldiers but between the French and American people as well with roots planted deep in the democratic ideal By revealing the overlooked importance of this crucial alliance A Fraternity of Arms provides new insights not only into World War I but into coalition war making as well Contrary to the popular belief that relations between France and the United States have been tenuous or tendentious at best Bruce reminds us that less than a century ago French and American soldiers fought side by side in a common cause not just as allies and brothers in arms but as true friends
